To Whom it May Concern:

The purpose of this letter is to notify you of a change I made involving an A-1 that I originally filed on Oct. 24th of this year. Receipt # 482912 had two entries but the CTU-PAC entry was wrong. The amount of the check was \$2,000.00 not \$4,000.00. I just noticed the mistake today and corrected the entry by deleting and re entering it. I also printed a new A-1 as of Nov, 1st. The latter receipt number is 483912.

I called the office today and was advised by Mike Crowley to notify the Board of this change. I have included copies of both the check and both A-1s.

Please let me know if there is anything else I need to do. A verification of this fax would be appreciated.

Best Regards,

Joan Knight
