Dear Political Committee

We are in receipt of the D-1 Statement of Organization filed on behalf of this committee. A recent change in the law, effective July 29, 2013, increased the political committee filing threshold from \$3,000 to \$5,000. In view of this change in the law, I am contacting you in order to determine if your committee has in fact met the \$5,000 filing threshold and is therefore required to be on file. If your committee has not reached the \$5,000 threshold and you do not anticipate it doing so in the near future, the State Board of Elections, at your request, can have the D-1 Statement of Organization voided.

If you have not reached the \$5,000 threshold and do not anticipate reaching that threshold, you may request that we void this committee by responding in writing to this letter within 10 business days. If we do not receive a response from you by 10/8/13, the committee remains on file and must submit all reports required by law, even if the \$5,000 threshold has not been met.

If you have any questions, please contact any member of the Campaign Disclosure staff by calling either 217-782-4141 or 312-814-6440. Thank you.

Respectfully,

Sharon Steward, Director
Division of Campaign Disclosure
