RE:

Committee to Elect Mike Bost

Dear Representative:

Please be advised that on September 30, 2013, while vacationing with my family in Florida, I inadvertently and unintentionally used the debit card dedicated to my Committee for a personal expense. The expense was for \$112.01 to Biergarten Restaurant on the grounds of Disney World in Orlando Florida.

Immediately, upon being notified by my Treasurer of the error, on October 1S, 2013, I wrote a check to the Committee for reimbursement.

Please keep this letter on file for explanation of this expenditure and reimbursement.

Sincerely,

Mike Bost
