Bryan A. Schneider, Vice Chairman
Patrick A. Brady, Member
John R. Keith, Member
William M. McGuffage, Member
Wanda L. Rednour, Member
Jesse R. Smart, Member
Robert J. Walters, Member

ALSO PRESENT:

Daniel W. White, Executive Director
Steve Sandvoss, General Counsel
Darlene Gervase, Administrative Specialist II

Chairman Porter called the meeting to order at 10:33 a.m. with all members present and led everyone in the pledge of allegiance.

Executive Director White presented the minutes with revisions suggested by Member Keith. Vice Chairman Schneider moved to adopt the revised minutes of August 29 and September 15, and to adopt the minutes of September 5th as submitted. Member Keith seconded the motion which passed unanimously by roll call vote.

Mr. White indicated that the agenda was amended to include voting systems certification for the Hart PCMCIA Card Reader which is under his report at "e."

The Executive Director began his report with a synopsis of preparations for the November 4th General Election. Election Day assignments were presented and Mr. White noted that Alexander County, East St. Louis and St. Clair County requested assistance. Staff members Jeff Berry, Eric Donnewald and Brent Davis will be at those counties respectively.

To increase voter awareness, we focused on voter registration, early voting and grace period registration, Mr. White said. Further, that press releases were sent to our media list via email, fax and hand delivery; new release templates were provided to election authorities so they could publicize early voting in their jurisdictions; Public Service Announcements in English and Spanish were produced in cooperation with the Illinois Information Services; and distributed to 125 media outlets across the state. The press releases and PSA's are available on our website. Vice Chairman Schneider asked about the effect foreclosures had on voters. Mr. White responded that a press release regarding that subject was distributed to statewide media outlets and to all Illinois Election Authorities.

Mr. White introduced the Director of Voting Systems and Standards, Dianne Felts, who submitted information regarding pre-tests in Clay, Marion and Pike counties.

The Director indicated that over 4,000 judges had been trained and schools will continue through October 31st. The list of training schools was presented for the Board's information.

Mr. White continued with a summary of the EAC Data Collection Grant. He indicated that spending authority approval has been obtained and Mark Mossman, Director of Election Information is working with Catalyst on the

project. The collection grant is only for collecting data from the November 4th General Election. Further, that seven jurisdictions, selected for their geographic location and voting systems have been targeted for the pilot program, they are Cook, Jackson, Kane, Kankakee, Lake, and Madison Counties and the DuPage Board of Elections.

An update of the Illinois Voter Registration System (IVRS) was presented by Mr. White. He indicated that 108 election jurisdictions were connected and using the system daily and Cook and McHenry Counties would be connected before the weekend. Also, signatures in the VISTA system have been copied to IVRS; programming is nearly complete to allow batch matching of all records for potential errors or fraud. The SBE has provided training on IVRS and many jurisdictions have taken advantage of training. The Department of Corrections has not yet returned the user agreement, but once the paper work is signed this part of the project will move quickly; and the only vendor that has not completed their work is VOTEC, who supplies 52 jurisdictions. They will complete their modifications following the election.

Director White said that Cristina Cray, Legislative Liaison, was available to offer a legislative update and she sent a listing of proposals to get a start on our legislative program. Ms. Cray asked the Board to review the proposals that are a carryover from last year and indicated that the final deadline is in January. Mr. White continued with a report on the Board's appropriation request and submitted a chart that identifies line items the legislature has restored. A supplemental appropriation bill will be submitted to the General Assembly in veto session, scheduled to begin November 12th.

The Agenda had been amended to include a voting system certification of the Hart PCMCIA Card Reader. Mr. White introduced Dianne Felts, Director of Voting Systems and Standards who said that Hart used a commercial off the shelf card that had been discontinued, however the replacement works exactly as the original. Ms. Felts introduced Jay Bennet from Kane County who uses the Hart System and he agrees that the replacement works fine. Ms. Felts asked the Board to certify the replacement card. Member Smart moved to approve a 2 year interim approval of the modification to the Hart PCMCIA Card Reader and Member Brady seconded the motion. The motion passed unanimously by roll call vote.

For informational purposes, Mr. White presented a State Disclosure 2008 Report, fiscal status reports for September SY09 and HAVA funds and a two year plan of staff activity for the October and November.

General Counsel Sandvoss began his report with appeals of campaign disclosure fines where the hearing officer recommended the appeals be granted and concurred with the recommendation. Member Rednour moved to adopt the recommendations of the hearing officer and general counsel and grant the appeals in *SBE v. Rock Island County Democratic Women's Club*, L2079, 08JS009; *SBE v. Home Builders Assn. of the Greater Rockford Area PAC*, L7847, 08JS022; *SBE v. Friends of Jeff Terronez*, L11758, 08JS044; *SBE v. Committee to Elect Pamela Palmer*, 13577, 08JS071; *SBE v. Bob Mitchell's Campaign*, S9269, 08JS179; and *SBE v. Friends of Eddie Winters*, S9623, 08JS213. Member Smart seconded the motion which passed unanimously by roll call vote.

Eight appeals of campaign disclosure fines wherein hearing officers recommended and the General Counsel agreed that the appeals be denied were submitted to the Board. Member Keith moved to adopt the recommendations of the hearing officers and general counsel and deny the appeals. Member Smart seconded the motion which passed 8-0. Appeals are denied in the matters of: *SBE v. DeWitt County Republican Central Comm.*, L1672, 08JS005; *SBE v. Supporters of Rich Johnson*, L12186, 08JS049; *SBE v. Massac County Republican Women's Club*, S1589, 08JS124; *SBE v. Citizens to Elect Paula M. Lingo*, S7553, 08JS149; *SBE v. Citizens to Elect Judge William D. O'Neal*, S7946, 08JS199; *SBE v. Chicago Young Republicans*, S9003, 08JS168; *SBE v. Friends 4 Jaramillo*, S9578, 08JS223; and *SBE v. Committee to Elect Liz Ellis*, S9664, 08JS216.

The Chairman called *SBE v. Emma Tate Higginbottom*, L14436, 08JS100 and noted the appearance of Mrs. Tate Higginbottom for the committee. The General Counsel summarized the activities of the committee and said that a \$325 penalty was assessed against the committee, but the committee filed a final report. He explained to the respondent that if the committee stays out of existence for 2 years the penalty is abated automatically. The General Counsel concurred with the hearing officer to deny the appeal. Action was not required by the Board.

Mr. Sandvoss called the matter of *SBE v. Friends of Kevin Quinlan*, L11495, 08JS5043. Kevin Quinlan was present for the committee. Mr. Sandvoss explained that this matter was different than the previous as Mr. Quinlan did not file a final report. The Hearing Examiner recommended denying the appeal and assessing a \$4,200 penalty due to multiple violations and a stay is not involved. If the committee files a final report and remains inactive for 2 years the fines are abated. Member Brady moved and Member McGuffage seconded a motion to dispose of the case, assess the penalty with the understanding that if Mr. Quinlan files a final report within 30 days, and remains inactive for 2 years, the penalty will be abated. The motion passed unanimously.

Chairman Porter called *SBE v. Committee to Elect Furmin Sessoms*, S9532, 08JS199 and noted the appearance of Nathan Kirkwood, III for the committee. Mr. Sandvoss indicated that a \$400 penalty was assessed and the appeal denied for failure to file the semiannual report because the hearing officer was not satisfied with their explanation. Mr. Sandvoss indicated that the appeal is stayed as it is a first violation and will be abated if the committee timely files all future reports for two years.

Item 18, Assessments and Final Orders were continued to the November meeting in Springfield.

Payments of civil penalties were presented for informational purposes only.

For the Board's consideration, Mr. Sandvoss presented proposed wording for a standing order as suggested by Member Keith when the board has a 4-4 tie vote. Member Keith added that this applies to any vote at any time regardless of any combination of votes. Discussion ensued among the board. Member McGuffage moved to approve the standing order of the Board regarding tie votes. Member Brady seconded the motion which passed unanimously.

Item 3.c., consideration of JCAR's objection of obituary rule was continued for 30 days.

At 11:52 a.m. Vice Chairman Schneider moved to proceed to Executive Session for the purpose of matters involving closed preliminary hearings. Member Rednour seconded the motion which passed unanimously by 8 yeas in unison.

The Board returned to open session at 12:42 p.m.

In the matter of *Mark Stern v. Paul Colgan & The New Wheaton Central Foundation/New Wheaton Central Foundation Brochure*, 08CD038, Member Keith moved to continue to December 5th and all parties allowed leave to file all papers at least 14 days before the meeting. Vice Chairman Schneider seconded the motion which passed 8-0 by roll call vote.

In the matter of *Frank Calabrese v. Pat Devaney*, 08CD039, Member Keith moved to find that the matter was not filed on justifiable grounds and no further proceedings are necessary. Vice Chairman Schneider seconded the motion which passed 8-0 by roll call vote.

Member Keith moved and Member Rednour seconded a motion that *SBE v. Citizens for David Webb*, 08CD007; *SBE v. Friends of Alderman Madeline Haithcock*, 08CD036; and *SBE v. Citizens to Elect Lovelace*, 08CD017 were filed on justifiable grounds; to adopt the recommendation of the Hearing Officer and General Counsel and proceed to public hearing. The motion passed 8-0 by roll call vote.

Executive Director White confirmed dates for the next meetings: November 17th regular monthly Board meeting in Springfield; Sunday, November 30th video conference call to proclaim the results of the election; and December 5th in Chicago.

There being no further business before the Board, Member Rednour moved to recess and Vice Chairman Schneider seconded the motion. The motion passed by 8 yeas in unison.

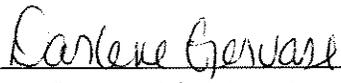

The meeting adjourned at 12:47 p.m.

STATE BOARD OF ELECTIONS

MEMORANDUM

From the desk of:

Daniel W. White, Executive Director

TO: Members of the Board

SUBJECT: November General Election Update

DATE: November 7, 2008

Despite record numbers of registered voters and long voter lines at some polling places, the November General Election was free of major problems. It is estimated that 133 million voters cast ballots nationwide or 62.5% of eligible voters. If the final number holds true, it will be a record turnout total and the highest turnout percentage since 1964.

A record 7.7 million voters were registered in Illinois – up 200,000 from the previous record of 7.5 million in 2004.

While we do not have final statewide voter turnout numbers yet, based on reports from across the State, a record number of voters is likely. The previous record was 5,350,000 in the 2004 General Election. The record turnout percentage is 88% in 1960.

Early voting set records with 1.4 million voters taking advantage of this opportunity for the first time at a Presidential election. The previous record was 220,000 at the primary election.

Another 500,000 voted absentee and 25,000 voted during grace period registration.

As I reported at last month's meeting, we conducted an extensive statewide voter public awareness program including television and radio public service announcements and press releases to media outlets across the state. The day before the election I addressed a group of forty foreign journalists in Chicago to monitor the election.

On election day the number of calls was high but mostly reports on normal election day problems (please see the following election day report from Mark Mossman).

Re: November 4, 2008 General Election
Date: November 7, 2008

In terms of election day support, the November 4, 2008 General Election can best be described as what didn't happen rather than what did. The number of registered voters in Illinois was at an all-time high and more voters cast early and absentee ballots than ever before. Voter turnout was expected to be record breaking, leading to expectations of long lines at the polls as well as skepticism and concern being voiced about whether the voting and tabulating equipment would be up to the task. The statewide question on calling of a Constitutional Convention generated a court order requiring additional notices to be posted and given to the voters, which figured to further burden the efficiency of the voting process.

Voter turnout in many jurisdictions was reported as lighter than anticipated by the Election Authorities. We did have limited reports of long lines in some locations during peak voting times, but the lines appeared to move in an orderly fashion without excessive delays. We received fewer reports of equipment failures than we expected.

The volume of telephone calls to the SBE was extremely heavy. However, unlike previous elections, few calls were received from the State's Election Authorities (neither while the polls were open nor afterwards during the tabulation process). Election Authorities are to be commended for their efforts preparing for this election and the success with which they administered the election process throughout the day.

The overwhelming majority of calls received came from individuals inquiring as to the status of their registration, the location and hours of operation for polling places, and non-Illinois residents currently visiting Illinois on Election Day wanting to vote for President. With 11,539 precincts in the state, there were less than 15 reports received that polling places opened late (10 in Cook/Chicago were judicially ordered open until 8:00 PM). Only a handful of complaints were received concerning electioneering at the polls or within the designated campaign free zone areas.

There were some isolated individual complaints of election judges in some jurisdictions asking every voter for identification before allowing them to vote. The Attorney General's office notified the Board's General Counsel that the AG's office also received some calls on the identification issue.

SBE staff were assigned election day in the counties of Alexander, St. Clair (central tabulation), Vermilion and the Boards of Election Commissioners in Danville and East St. Louis (central tabulation).

INTEROFFICE MEMORANDUM

To: Dan White, Executive Director

From: Dianne Felts, Director of Voting Systems and Standards (VOSS)

Subject: General Election 2008 pretests' report

Date: October 31, 2008

VOSS tested prior to the November 4, 2008 General Election three jurisdictions: Clay, Marion, and Pike counties. The following are the findings.

Clay County ES&S vendor M-100 and Auto-MARK

The test consisted of 1,381 ballot sheets. Staff tested all 22 precincts on both machines. We began our test on the Auto-MARKS. After we tested all 15 machines, staff suggested to the clerk that 5 Auto-MARKs be re-calibrated. One machine was especially problematic on the retention races. She said she would recalibrate our suggested ones before the election. The clerk stated to us that the vendor serviced all machines in June. We then started the test on the M-100s. One tabulator needed to be replaced before we even started to test. The switch went bad on the tabulator so the clerk replaced the M-100 with a back-up one. Another tabulator had a printer problem. The printer on this unit moved the tape so slowly that it took forever to run the zero tape. The clerk called a vendor's representative and tried his suggestion to correct the printer. It still did not work so she brought out another back-up. She was going to send the two non-working machines to the vendor's office to be repaired. There were no tabulation errors.

Marion County Platinum vendor Accu-Vote and TSX

The test consisted of 2060 ballots. Staff tested all 48 precincts on both machines. We began our test on the DREs. The only problem that staff encountered was the layout of the ballot design on these machines. The layout was not voter friendly. Staff thought it was difficult to mark the ballot with this design. An example is that the screen for President had the candidates' party affiliation placed in different spots near the nominees. Some were off to the right while others were in-between the Presidential nominee and the Vice-Presidential nominee. Also the U. S. Senate race was placed on the same screen as the office of President and positioned off to the far right side. Then, the following screens were cluttered looking and had a large number of offices on a single screen. I told the vendor that this was not a good design. She said that it could not be avoided with using the same program for both the DREs and the in-precinct scan tabulators. VOSS Director called the vendor after seeing the design of the ballot in Pike County which was very well done. The Marion county vendor had also witnessed this better design in another county that she is a shared vendor and agreed it was a better layout. She then found out for the future on how to design her clients' ballot screens the same way. We then continued with the Accu-Vote in-precinct scanners. We had one tabulator malfunction and it was replaced with a back-up. We

couldn't feed all of our ballots through it. We had another tabulator do the same thing but we turned the machine off and started over and it took all the ballots the second time. We also discovered that some of our ballots were skewed. We needed to remark and replace these ballots with better cut ballots and ones with correct timing tracks. This occurred especially with the federal only ballots. There were no tabulation errors.

Pike County GBS vendor Accu-Vote and TSX

The test consisted of 1585 ballots. Staff tested all 33 precincts on both machines. We began our tests on both machines simultaneously since we had ample space. On the DREs staff found that on the county board at-large race, a box was assigned to and could be marked for the "No Candidate" position. This was a set-up error. A voter could mark the box for the "No Candidate" position but it did not give the position a vote. We discussed this situation with the election authority and he said that he hardly ever has anyone vote on these machines. He only uses them for the disabled so he was going to leave the set-up at this late date alone. This seemed appropriate since no votes were assigned. After testing the DREs, we suggested to the clerk and vendor that 5 or 6 of them needed to be recalibrated and gave them a list of which precincts. We also encountered one voter encoder device malfunctioning and the clerk said he would replace it. This device is unique to this system; the judges of election use it to put the voter's appropriate style on the Access Card. When testing the Accu-Votes, we discovered that many of the ballots were too wide and would not go through the tabulators. The vendor trimmed the ballots down so that we could continue the test. He also called his office to make sure that this would not be a problem election day. His office responded that they checked and the ballots were fine ours were the ones that were cut differently but not the official ones. There were no tabulation errors.

Sangamon County ES&S vendor M-100 & Auto-MARK

We did not pre-test Sangamon County but we did observe the county's public test prior to Election Day. Staff observed that the test on the M-100s ran without a tabulation error; however, the central count optical scan machine, the M650 did have problems. When the clerk's staff ran the test on it, the machine had miscounts and did not function well. Per the clerk's request, the vendor sent a technician to Springfield. The clerk's office rescheduled the public test for another day. The technician came and told the clerk's office to replace the test ballots with new ones for the public test. They were too frayed from being run so many times. He also said that one sensor seemed a little low; and, that he adjusted the spring on the feeder part of the machine. Within two days of the first test, the clerk ran a new test with no tabulation errors on the M650 machine.

STATE BOARD OF ELECTIONS

MEMORANDUM

*From the desk of:
Daniel W. White, Executive Director*

TO: Members of the Board

SUBJECT: Legislative Update

DATE: November 7, 2008

The legislature is scheduled to meet November 12-14 and 19-21 in the veto session. Cris Cray will have an update of activity at the Board meeting.

Election Legislative Issues 2009

1. Requests from the Legal Department:
 - a. modify Section 16-6, this change deals with constitutional convention questions. Remove the "the failure to vote this ballot is the equivalent of a negative vote..." language requirement.
 - b. Amend 10-10 to provide that the first meeting of the electoral board shall be no less than 3 and no more than 5 business days following the last day to object. (Richard B. Mayers rule)
 - c. In addition, amend 10-10 to state that if the Board fails to sustain the objection by a majority vote, it will be deemed to have been overruled. (similar to 9-21).
 - d. Clarify in 19A-15 whether or not 1-6 applies. In other words, if the first day to conduct early voting falls on a Saturday, Sunday or holiday, is it extended to the next business day per 1-6, or does the fact that 19A-15 provides for early voting on weekends and holidays trump 1-6?
 - e. Clarify whether appointed precinct committeemen can serve as election judges and whether appointed precinct committeemen may vote to fill vacancies in nomination
 - f. Add to 7-10 that for newly established political party candidates that haven't had a previous election upon which to base their signature requirement, the requirement should be a specific number. 600 perhaps? Also, perhaps change 7-10 (j) from "in the territory comprising the counties" to "in the multi-County service region at the last election at which officers for the region were elected."
2. Requests from Member McGuffage:
 - a. reintroduces House Bill 4565, first introduced in 2006; outlines Board remedies for campaign finance issues
 - b. require that the Chairman and Treasurer of Illinois Political Action Committees to be different people
 - c. eliminate in-person absentee voting – extend early voting to the Monday before the election (delete 19-2.1 and amend 19A-15(a))
 - d. settlement agreements; allow the Board to settle for a % on semi's and pre's [9-10 (c)]. (use same language as (b-5))
 - e. Amend 1A-7; delete the language which states "five members of the Board are necessary for any action of the Board to become effective..." Perhaps add language which clearly states that a 4 to 4 decision will dismiss a complaint.
 - f. Allow disabled veterans to vote without registration. Add them to military/overseas voters in Article 20.
3. Per a request from Rupert Borgsmiller, amend Article 9 of the Election Code allowing for the random selection and audit of campaign committees which show no expenditures and no contributions during that reporting period.

4. Amend 4-105, 5-105 and 6-105 (may also need to amend 1A-16 which states: “if you do not provide the information required above, then you will be required to provide election officials with either (i) or (ii) described above the first time you vote at a voting place or by absentee ballot.”) to clarify language on what constitutes adequate proof of identity and the exact action that should be taken by an election authority should the individual not provide such proof.
5. Per a request from Rupert Borgsmiller, amend 9-28 to state that if your political committee is required to file electronically, then your committee must also accept notices electronically.
6. Amend Sections 19 and 20 (dealing with absentee, military and overseas voters) allowing for citizens to return their ballots by express or overnight delivery. Currently, the Illinois Election Code states that ballots must be returned by US Mail.
7. Per a request from Dianne Felts, amend Section 24C-12 to state that if all DRE’s are malfunctioning, the judges shall issue an alternative ballot to the voter.
8. Per a request from Mark Mossman, reintroduce House Bill 3635. Changes the dates for counties to canvass from 21 days (following the election) to 15 days. It changes the dates for the SBE to canvass from 31 days to 22 days. This should help eliminate the problem of canvassing past the deadline for judges taking office (the first Monday in December).
9. Per a request from Carole Holtz and the Aurora Board of Elections, move the consolidated primary one week earlier and the consolidated general two weeks later (this gets moved occasionally due to Passover). Per disclosure, we may need to eliminate the pre’s if the election gets moved up to the first week in February.
10. Per a request from Mark Mossman, amend sections 19-8, 20-8 and others which deal with the time and place of counting, early, absentee, and grace period ballots.

REPORT OF HEARING EXAMINER

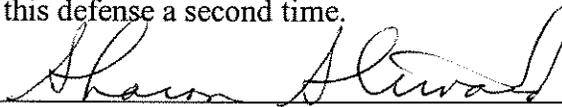

Appeal of Civil Penalty Assessment for Failure to File a
Schedule A-1 for the 2008 General Primary Election

The Report was received on July 30, 2008, 7 days late, resulting in a civil penalty assessment of \$350. The assessed penalty is \$350.

Tricia Barkauskas, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Barkauskas stated that it was her understanding that she had submitted their D-2 form correctly. She also mailed a copy to the office of the County Clerk on July 3, 2008. There was no intention for the form not to be submitted. In addition to completing the form early in July, their organization was in a transition period. In July they were reorganizing their officers. The letter stating that the form was not submitted was sent to the former treasurer. She understands the penalty, but is contesting the fine primarily because she was under the impression that it went through online and she mailed the additional copy in the first few days of July to the Office of the County Clerk.

I called Ms. Barkauskas in order to determine what steps she took in order to file electronically. She did complete the upload process and thought that she received a message saying the report had been accepted. This was her first time using the system, so she wasn't aware that she could check the Board website to make sure the filing had been successful. She did not receive an e-mail receipt. She had attempted the filing on July 2nd or 3rd and thought she had successfully filed the report. In order to be consistent with prior Board decisions when an electronic filing issue was presented as a reasonable defense by a filer, I recommend that the appeal be granted. However, the Committee should be aware that the Board may not look favorably upon the use of this defense a second time.

Dear District 230 Teacher's Association IPACE;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contributions and Expenditures
Report Period:	January 1, 2008 through June 30, 2008
Filing Period:	July 1, 2008 through July 21, 2008

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on July 30, 2008, 7 day(s) late. As such, this committee has been assessed a fine of \$350.00.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.

Since this is a first time violation, the assessed civil penalty will be *stayed*. Any subsequent violation of any provision of Article 9 of the Election Code or of a Board Order shall result in the assessment of an additional penalty as provided in Section 125.425 of the Rules and Regulations governing the State Board of Elections, with that civil penalty and any previously assessed penalty to be paid within 30 days. Therefore, you need not pay this assessed civil penalty unless another violation occurs.

If you have questions regarding the appeal process, please call Sue McArthur at 217/782-1543.

Sincerely,

REPORT OF HEARING EXAMINER

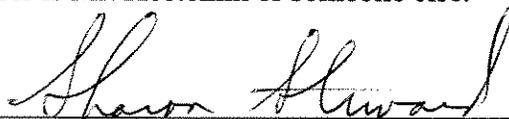

Appeal of Civil Penalty Assessment for Delinquently Filing the
2008 June Semi-Annual Report

The Report was received on August 6, 2008, 12 days late, resulting in a civil penalty assessment of \$300.

John Kostelnik, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Kostelnik stated that he is the new treasurer, not familiar with the on-line process. When he first submitted he got no error message and it was complete; however, it did not download. The help button went to a vacant mailbox. He finally got someone to give him a phone number he could call after hours and was helped load correctly.

In order to be consistent with previous Board decisions when an electronic filing issue is presented as a defense, I recommend that the appeal be granted. It appears from Mr. Kostelnik's affidavit that he failed to complete the upload process after he completed the report. If this recommendation is accepted by the Board and the appeal is granted, I would like to caution the filer that it is unlikely that the Board would look favorably upon the use of this defense a second time, whether the treasurer is Mr. Kostelnik or someone else.

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment

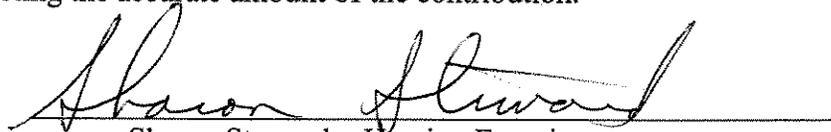

For Failing to File a Schedule A-1 for the 2008 General Primary Election

This Committee received two contributions from John Maville, one of \$50 on 1/23/08, and a second of \$500 on 2/1/08, totaling more than \$500, but failed to report these contributions on a Schedule A-1. The assessed penalty is \$500.

David H. Towns, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Towns stated that the check that is reported as a \$500 contribution on 2/1/08, is only three hundred dollars as set forth in the attached copy of the check. The written portion of the check clearly states \$300. Therefore, no violation occurred, as the aggregate amount was less than \$500.

I recommend that the appeal be granted. The attached copy of the check clearly shows that the contribution was for \$300, rather than \$500. It was incorrectly reported on the original 2008 June Semi-Annual Report. The Committee has since filed an amended 2008 June Semi-Annual Report reflecting the accurate amount of the contribution.

Dear Citizens to Elect Jim Hursh;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than \$500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

<u>Contributed By</u>	<u>Date of Contribution</u>	<u>Fine Assessed</u>	<u>Amount of Contribution</u>	<u>Date A-1 Received</u>	<u>Days Late</u>
John Maville	1/23/08		**\$50.00		
John Maville	2/1/08	\$500.00	\$500.00	*not filed	1

The committee is fined a **total** of \$500.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total **does not** reflect any previously assessed fines.

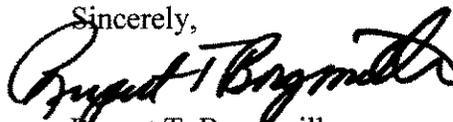

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to \$50.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid, including any previously assessed fines, within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

If you have any questions regarding the appeal procedure, please call Sue McArthur at 217/782-1543.

Sincerely,

Rupert T. Borgsmiller

* This contribution was reported on the June 2008 Semi-annual Report but should have been reported on a Schedule A-1 Report of Campaign Contributions of more than \$500.00, within 2 business days of receipt.

** This contribution did not, by itself, necessitate filing of a Schedule A-1. No fine was assessed for this contribution – it is listed for informational purposes only. A subsequent contribution, when aggregated with this contribution, exceeded the "more than \$500.00" threshold and was used as the basis for the fine assessment.

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment for Delinquent Filing the
June 30th, 2008 Semi-Annual Report

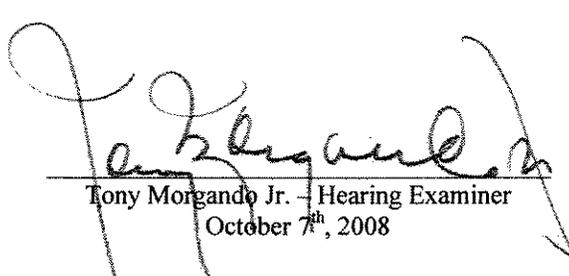

The political committee's June 2008 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on July 28th, 2008, five (5) days late. As such, the political committee has been assessed a fine of \$250.00. In addition, the political committee was previously assessed a penalty of \$50.00 for the delinquent filing of the December 31st, 2007 Semi-Annual Report. The total assessment is \$300.00. Since this is a subsequent violation, it will be required to be paid by the political committee within thirty (30) days of the issuance of a Final Board Order.

Mr. Robert E. Janes, Treasurer, filed a Request for Hearing and Appeal Affidavit, on September 15th, 2008, indicating: The D-2 Report for the period ending June 30, 2008 on July 28, 2008 after a telephone call from your office that the due date had passed. It was completed with the assistance of Tom Cloonan of your Chicago office. An acknowledgement was received to that effect. Your notice relating to the late filing was issued on August 28, 2008, a month after the report was filed. The Treasurer was previously filing for another organization, but had retired from that position, thus not realizing that this committee must also file as it had been totally inactive for two years. The prior semi-annual report was filed on schedule, but was not accepted by the Board, then as electronic report was submitted on January 18, 2008, which was within your timing parameter. We request your forgiveness for these two infractions".

Hearing in this matter was set for Wednesday, October 15th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, Suite 14-100, Chicago, Illinois at 10:30 a.m. Mr. Janes requested an expedited hearing in this matter, which was rescheduled for Monday, October 6th, 2008, at 9:30 a.m.

Mr. Robert E. Janes, Treasurer, appeared on behalf of the political committee. Mr. Jones indicated that he has been filing electronic disclosure documents with the SBE since January 1st, 2005, with only recent mishaps. Mr. Janes indicated he's experienced upload concerns which he sought assistance from SBE staff members, Mr. Tom Cloonan, and Mr. Andy Nauman, which the Hearing Examiner verified with staff. My discussion with Mr. Janes would indicate that he experienced difficulty while attempting to upload the June 2008 Semi-Annual Report, which didn't occur during prior electronic filings.

I feel based upon a review of the documents/statements presented in this matter, and discussions with SBE staff, an electronic filing issue did occur. It therefore is the recommendation of the Hearing Examiner that Mr. Janes' electronic filing concerns is an acceptable defense, and therefore recommends that the appeal be granted. Mr. Janes should be advised that subsequent electronic filing mishaps will not be looked upon favorably as a defense.

Dear Citizens for Judy Fiske;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type: Semiannual Report of Campaign Contribution and Expenditures
Report Period: January 1, 2008 through June 30, 2008
Filing Period: July 1, 2008 through July 21, 2008

Based upon this committee's failure to comply with the provision of 10 ILCS 5-9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received on July 28, 2008, 5 day(s) late. As such, this committee has been assessed a fine of \$250.00.

Enclosed please find the Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.

If the above listed violation is not appealed and since this is a subsequent violation the previously stayed fine(s) for delinquent filing is now also required to be paid by the committee within 30 days:

Reporting Period	Report Type	Previous Fine Amount
7/1/2007 - 12/31/2007	Semi-annual	\$50.00

REPORT OF HEARING EXAMINER

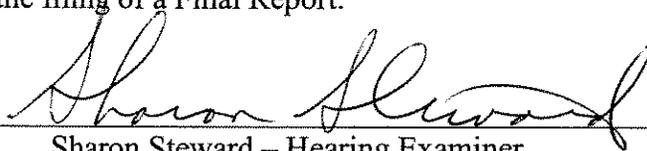

Appeal of Civil Penalty Assessment for Delinquently Filing the
2008 June Semi-Annual Report

This Report was received on July 28, 2008, 5 days late, resulting in a civil penalty assessment of \$250. In addition, this Committee was previously assessed an \$1150 penalty (not appealed, stayed) for delinquently filing the 2007 December Semi-Annual Report. The total assessment is \$1400.

Yvette Williams, the Chairman/Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Williams stated that she filed the said report on July 21, 2008, and, in error, had the wrong date on the electronic filing. She was given a call on July 28, 2008, informing her of the error, and she made the correction that same day. An attachment stated that she was involved in a major automobile accident, April 5, 2008, and was under medication during the time she filed the semi-annual report.

I contacted Ms. Williams in order to gain more information regarding what steps she originally took to file the report. A semi-annual report was filed on July 21st, the last day to file, but it was the 2007 December Semi-Annual Report. The report that is highlighted is the one that will be uploaded; Ms. Williams had the 2007 December Semi-Annual Report highlighted, not the 2008 June Semi-Annual Report. When contacted by the Board on July 28th, she immediately uploaded the correct report. In order to be consistent with prior Board decisions when a reasonable electronic filing issue is presented by the Committee as a defense, I recommend that the appeal be granted. The report began and ended with \$0 and there was no activity. It was immediately followed by the filing of a Final Report.

REPORT OF HEARING EXAMINER

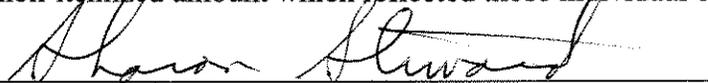

Appeal of Civil Penalty Assessment for Failure to File a
Schedule A-1 for the 2008 General Primary Election

This Committee received 2 contributions from Chicago Association of Realtors, one of \$9758.50 on 1/2/08 and a second of \$4001.11 on 1/22/08, but failed to list them on a Schedule A-1. The total assessment is \$13,759.50.

Mabel Guzman, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Guzman stated that an amendment was electronically filed and successfully accepted on 10/16/08 to include corrected receipts under Section A-1B for \$18,328.50. These receipts represent 733 individual members at \$25.00 or less contributing to their PAC fund. To substantiate their defense, documentation listing of individual members contributing for above receipts, is enclosed. The original filing of the Semi-Annual Reports for periods 1/1/08-6/30/08 listed itemized receipts under Section A-2A which was done in error. They are requesting that the penalty be waived based on the above facts and enclosed supporting documentation.

Based upon the above explanation, the amended 2008 June Semi-Annual Report, and the supporting documentation showing all individual contributions, I recommend that the appeal be granted. The contributions were from the individual members, not the Association. The amended report included a non-itemized amount which reflected those individual contributions.

Dear Chicago Assn of Realtors PAC;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than \$500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

<u>Contributed By</u>	<u>Date of Contribution</u>	<u>Fine Assessed</u>	<u>Amount of Contribution</u>	<u>Date A-1 Received</u>	<u>Days Late</u>
Chicago Association of Realtors	1/2/08	\$9758.50	\$9758.50	*not filed	21
Chicago Association of Realtors	1/22/08	\$4001.11	\$4001.00	*not filed	8

The committee is fined a **total** of \$13759.50 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total **does not** reflect any previously assessed fines.

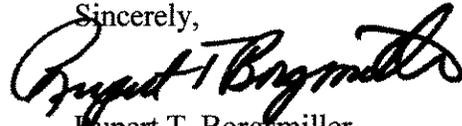

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to \$1376.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Failure to File a
Schedule A-1 for the 2008 General Primary Election

This Committee received a contribution of \$800 on 1/15/08, but failed to list it on a Schedule A-1. The assessed penalty is \$800.

Nilo Peraica, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Peraica stated that the contribution in question was given to the committee on January 28, 2008 and was immediately filed within the necessary time frame. It is clear from the face of the check that it was never sent to the committee directly; rather it was sent to Mr. Michael Slinkman at 5737 S Kensington Ave, Countryside IL 60525. So while it is dated January 15, 2008, it was sent to him first and then later forwarded to the committee on January 28, 2008 and it was filed that day. It was then listed on the 2008 June Semi-Annual Report a second time by mistake with the date of January 15, 2008 by a representative of the committee after seeing that date on the face of the check and not realizing it had already been entered as being received on January 28, 2008. Thus the A-1 was timely filed as it was received by the committee on January 28, 2008. Attached is a copy of the check showing that it was sent to Mr. Slinkman before the committee and also attached is a letter from Michael Slinkman explaining that he received it first and then tendered it to the Committee on January 28, 2008.

It is undisputed that the check was mailed to Michael Slinkman on or after 1/15/08. In his letter, Mr. Slinkman states that he gave the contribution to the Committee on January 28, 2008. Therefore, the Schedule A-1 filed on 1/28/08 is timely. At issue is when Mr. Slinkman, acting as an agent of the committee, received the check. Section 5/9-6(a) of the Act states that “[e]very person who receives a contribution in excess of \$20 for a political committee shall, on demand of the treasurer, and in any event within 5 days after receipt of such contribution, render to the treasurer a detailed account thereof, including the amount, the name and address of the person making such contribution, and the date on which it was received.” It is at least reasonable to assume that Mr. Slinkman met his responsibilities, but this is something which, in the future, the Committee should be aware of. Based upon the Affidavit and Mr. Slinkman’s letter, I recommend that the appeal be granted if the Committee meets the following condition. Since the contribution was inadvertently reported twice on the 2008 June Semi-Annual Report, it is my recommendation that the appeal be granted as long as the Committee files an amended report within 30 days correcting this reporting error. This may also require that the Pre-Election Report for the 2008 General Election be amended as well.

Dear Citizens for Peraica;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than \$500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

<u>Contributed By</u>	<u>Date of Contribution</u>	<u>Fine Assessed</u>	<u>Amount of Contribution</u>	<u>Date A-1 Received</u>	<u>Days Late</u>
Sandrick Law Firm LLC	1/15/08	\$800.00	\$800.00	*not filed	12

The committee is fined a **total** of \$800.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total **does not** reflect any previously assessed fines.

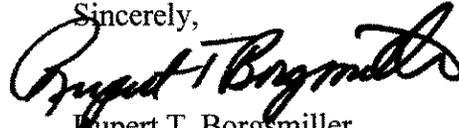

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to \$80.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. If your committee has no other civil penalty assessments and only one delinquent Schedule A-1 amount is listed above, the penalty will be **stayed** as a first violation and would only become due and owing upon any subsequent delinquent filings by the committee.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

If you have any questions regarding the appeal procedure, please call Sue McArthur at 217/782-1543.

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment for Failure to File a
Schedule A-1 for the 2008 General Primary Election

This Committee received one contribution of \$614.25 on 1/30/08 from the Daily Herald/Paddock Productions, but failed to list it on a Schedule A-1. The assessed penalty is \$614.25.

Thomas L. Schmitz, the Treasurer, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Schmitz stated that the contribution in question from the Daily Herald/Paddock Productions was erroneously coded as both an expenditure and a contribution. This was only an expenditure for an ad buy during the primary election. In no way did the Daily Herald/Paddock Productions contribute.

I reviewed the 2008 June Semi-Annual Report filed on behalf of this Committee and note that this amount is listed both as an expenditure to the Daily Herald/Paddock Productions for advertising on 1/30/08 and a contribution from that same entity received on 1/30/08. Based upon the Affidavit and the fact that this Committee filed 15 Schedule A-1s during that A-1 period, which demonstrates that the Committee is well aware of it's A-1 filing requirements, I recommend that the appeal be granted if the Committee meets the following condition. Since this amount was inadvertently reported as a receipt as well as an expenditure on the 2008 Semi-Annual Report, it is my recommendation that the appeal be granted as long as the Committee files an amended report within 30 days correcting this reporting error. This may also require that the Pre-Election Report for the 2008 General Election be amended as well.

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment

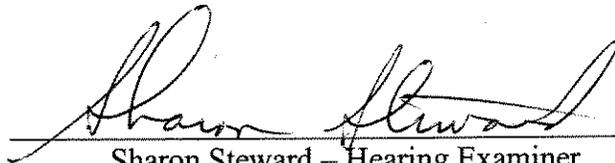

For Failing to File a Schedule A-1 for the 2008 General Primary Election

This Committee received 1 in-kind contribution valued at \$1566.76 on 1/31/08, but failed to list it on a Schedule A-1. The assessed penalty is \$1566.76.

Glyn Ramage, the Chairman of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Ramage stated that the in-kind contribution was made to the Committee to Elect Wexstten, but was incorrectly reported as a receipt. He enclosed a copy of the In-kind Contribution Notification form that his Committee provided the Committee to Elect Wexstten. An amended report correcting this reporting error has also been filed.

I recommend that the appeal be granted. This was a reporting error, where the individual filing the report inadvertently reported this in-kind contribution (a mailing) as being received by this Committee, from the Committee to Elect Wexstten, rather than being made by this Committee on behalf of the Committee to Elect Wexstten. There was no in-kind contribution received by the Southwestern Illinois Laborers District Council PAC. Records show that an amended report has been filed properly reflecting the in-kind contribution.

REPORT OF HEARING EXAMINER

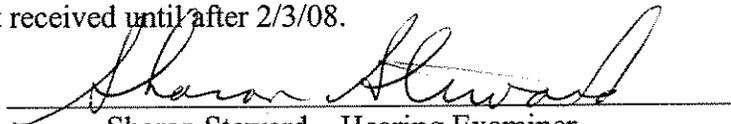

Appeal of Civil Penalty Assessment for Failure to File a
Schedule A-1 for the 2008 General Primary Election

This Committee received 1 contribution of \$2500 on 1/31/08, but failed to list it on a Schedule A-1. The assessed penalty is \$2500.

Bernard Smith, the Chairman of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, he stated that the semi-annual report for the period ending 6/30/08 mistakenly listed the date of the check (1/31/08) as the date of the contribution. The contribution was actually received after the Schedule A-1 reporting period. The semi-annual report is being amended accordingly. He has attached a copy of the check.

I contacted Mr. Smith in order to obtain further documentation regarding the date of receipt of this contribution. He responded with a copy of a deposit slip dated 2/29/08 which included the contribution in question. Also included were copies of the checks which comprised this deposit; in support of his contention that he indeed listed the date of the check rather than the date of receipt, a review of the semi-annual report showed that most of the other checks included in this deposit were also listed as being received on the date of the check rather than the date received. I recommend that the appeal be granted, as it is reasonable to assume that a check dated 1/31/08 was not received until after 2/3/08.

Dear Citizens for Maloney;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than \$500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

<u>Contributed By</u>	<u>Date of Contribution</u>	<u>Fine Assessed</u>	<u>Amount of Contribution</u>	<u>Date A-1 Received</u>	<u>Days Late</u>
Chicago Teachers Union PAC	1/31/08	\$2500.00	\$2500.00	*not filed	1

The committee is fined a **total** of \$2500.00 for delinquent filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total **does not** reflect any previously assessed fines.

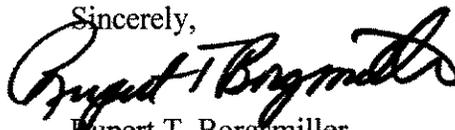

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to \$250.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. If your committee has no other civil penalty assessments and only one delinquent Schedule A-1 amount is listed above, the penalty will be **stayed** as a first violation and would only become due and owing upon any subsequent delinquent filings by the committee.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

If you have any questions regarding the appeal procedure, please call Sue McArthur at 217/782-1543.

Sincerely,

Rupert T. Borgsmiller

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing a
June 30th, 2008 Semi-Annual Report

The political committee's June 2008 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on July 22nd, 2008, one (1) day late. As such, the political committee has been assessed a fine of \$100.00.

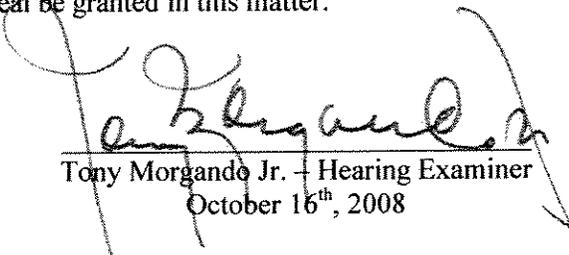

Ms. Tawny Smith, Treasurer, filed a Request for Hearing and Appeal Affidavit, on September 17th, 2008, indicating in part: On Monday, July 21, 2008 several attempts were made to electronically submit the report in a timely manner. Unfortunately, this effort was unsuccessful due to the virus protection software that is installed on my computer. At the time, I did not know why this effort was unsuccessful since the computer was a new purchase and this was the first time I had submitted the report using this computer. I tried to take immediate action by emailing the report with an explanation of my difficulty to Kimberle Brown. Immediately the next morning I contacted the State Board of Elections Office of Campaign Disclosure to inform someone of the problem. After reviewing the information it was explained to me that the virus protection software on my computer was preventing the file from uploading properly. The problem was corrected right away and the report was sent on July 21, 2008 at 11:34 AM".

Attached to the Appeal Affidavit is a copy of an email transmission from Ms. Tawny Smith to Ms. Kimberle Brown, State Board of Elections, dated Monday, 21st, 2008, at 7:26 p.m. Such email indicates Ms. Smith was having complications uploading the political committee's report, and was therefore attaching a copy of the document to the email as a precaution if continued efforts to electronically file were unsuccessful.

Hearing in this matter was set for Wednesday, October 15th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, Suite 14-100, Chicago, Illinois, at 11:30 a.m.

Mr. William Davis, Candidate, and Ms. Tawny Smith, Treasurer, appeared on behalf of the political committee. Ms. Smith affirmed statements provided in her Appeal Affidavit.

I feel based upon a review of the documents/statements presented in this matter, and discussions with SBE staff, the June 30th, 2008 Semi-Annual Report was received via email in a timely fashion. Such document was properly filed electronically when uploading issues were resolved. It therefore is the recommendation of the Hearing Examiner that the appeal be granted in this matter.

Dear William Davis for State Representative;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contribution and Expenditures
Report Period:	January 1, 2008 through June 30, 2008
Filing Period:	July 1, 2008 through July 21, 2008

Based upon this committee's failure to comply with the provision of 10 ILCS 5-9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received on July 22, 2008, 1 day(s) late. As such, this committee has been assessed a fine of \$100.00.

Enclosed please find the Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.

If the above listed violation is not appealed and since this is a subsequent violation it will be required to be paid by the committee within 30 days:

If you have any questions regarding the appeal process, please call Sue McArthur at 217/782-1543.

Dear Mr. Borgsmiller:

I write to express regret for the delay in submitting the Semiannual Report for Campaign Contributions and Expenditures for the political committee William Davis for State Representative as well as ask the State Board of Elections to take into consideration the circumstances in determining the penalty for the committee.

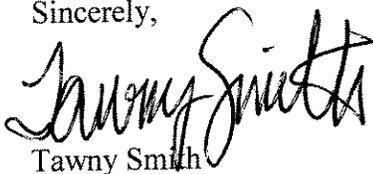

My name is Tawny Smith, Treasurer for the political committee William Davis for State Representative. I am submitting this correspondence as a Notice of Appeal for the Semiannual Report for William Davis for State Representative.

On Monday, July 21, 2008 several attempts were made to electronically submit the report in a timely manner. Unfortunately, this effort was unsuccessful due to the virus protection software that is installed on my computer. At the time, I did not know why this effort was unsuccessful since the computer was a new purchase and this was the first time I had submitted the report using this computer. I tried to take immediate action by emailing the report with an explanation of my difficulty to Kimberle Brown. (Attached is a copy of that correspondence.) The problem was corrected right away and the report was sent on July 21, 2008 at 11:34AM.

I ask that Representative Davis and the Political Committee not be penalized for this delay, since a reasonable effort was made to correct the problem, the State Board of Elections was notified in a timely manner, and the correction was made without delay.

Thank you in advance for your attention given to my request. I look forward to speaking with you soon concerning this matter.

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment for Failure to File a
Schedule A-1 for the 2008 General Primary Election

This Committee received two contributions on 1/30/08 for \$500 each, but failed to list them on a Schedule A-1. The assessed civil penalty is \$1000.

Patricia Kates-Collins, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Kates-Collins stated that on January 31, 2008, she filed a Schedule A-1 for two checks from Boehringer Ingehelm for \$500 each. On July 16, 2008, when she was completing the 2008 June Semi-Annual Report, she entered the same two checks a second time by mistake. This mistake makes it look like the committee received four checks, but two were reported in error. She will make the adjustment on an amended semi-annual report.

It is Ms. Kates-Collins' contention that she inadvertently entered the same two checks twice, once at the time she filed the Schedule A-1 and again when she was completing the 2008 Semi-Annual Report. Based upon her Affidavit, I recommend that the appeal be granted if the Committee meets the following condition. Since the two contributions were inadvertently reported twice on the 2008 June Semi-Annual Report, it is my recommendation that the appeal be granted as long as the Committee files an amended report within 30 days correcting the reporting error. This may also make it necessary to amend the Pre-Election Report for the 2008 General Election as well.

Dear Friends of Mattie Hunter;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than \$500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

<u>Contributed By</u>	<u>Date of Contribution</u>	<u>Fine Assessed</u>	<u>Amount of Contribution</u>	<u>Date A-1 Received</u>	<u>Days Late</u>

Boehringer Ingehelm Pharmaceuticals	1/30/08	\$500.00	\$500.00	*not filed	2

The committee is fined a **total** of \$1000.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total **does not** reflect any previously assessed fines.

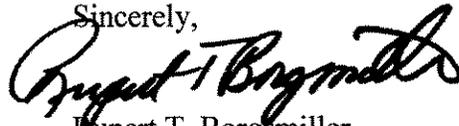

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to \$100.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

REPORT OF HEARING EXAMINER

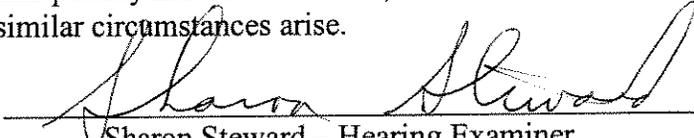

Appeal of Civil Penalty Assessment for Failure to File a
Schedule A-1 for the 2008 General Primary Election

This Committee received one contribution on 1/11/08 of \$3590 from Mr. G's Supper Club, but failed to list it on a Schedule A-1. The assessed penalty is \$3590.

Eular Portman, the Chairman/Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit:

On the Affidavit, Ms. Portman states that on December 18, 2007, the Committee entered into a contract with Mr. G's Supper Club to hold a fundraising event on January 11, 2008. None of the donations received in conjunction with that fundraiser exceeded \$500, so no Schedule A-1 was filed. The Committee inadvertently reported the donations from the fundraising event as being from Mr. G's Supper Club because that was the location and date of the fundraising event. Ms. Portman has since filed an amended 2008 June Semi-Annual Report listing \$3290 as non-itemized receipts on Line 1B since none of the contributions exceeded \$150 from one source. The remaining \$300, which was a contribution from a union, was reported on Line 1A.

I spoke with the candidate in order to verify that the \$3290 did not need to be itemized as it represented contributions of \$150 or less from a single source, and therefore could not have exceeded the \$500 threshold for the filing of a Schedule A-1. Therefore, I recommend that the appeal be granted. It is clear from the Affidavit that the placing of the \$3590 on Line 1A and identifying it as a contribution from the location of the fundraising event, was a reporting error on the part of the Committee. This error has been corrected on an amended report filed August 22, 2008, well before this penalty had been assessed, and the Committee now understands how to properly report when similar circumstances arise.

Dear Citizens to Elect Jackie Marie Portman;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than \$500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

<u>Contributed By</u>	<u>Date of Contribution</u>	<u>Fine Assessed</u>	<u>Amount of Contribution</u>	<u>Date A-1 Received</u>	<u>Days Late</u>
Mr. G's Supper Club	1/11/08	\$3590.00	\$3590.00	*not filed	14

The committee is fined a **total** of \$3590.00 for delinquent filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total **does not** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to \$359.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. If your committee has no other civil penalty assessments and only one delinquent Schedule A-1 amount is listed above, the penalty will be **stayed** as a first violation and would only become due and owing upon any subsequent delinquent filings by the committee.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

APPEAL AFFIDAVIT

I, Eular Portman, the Chairman/Treasurer of the Citizens To Elect Jackie Marie Portman (Name of the Committee)

Committee, first being duly sworn deposes and states that she represents that the said committee can offer a good reason or defense to the assessment of a civil penalty in this matter, and that such reasons and defenses are:

1. The Citizens to Elect Jackie Marie Portman hereinafter referred to as the "Committee" complied with all of the written and oral rules and procedures as supplied by the State Board of Elections for Illinois and their agents.
2. The Illinois Board of Election Publication titled "A-1's made Simple" states the following "Participating committees must file a Schedule A-1 for each and every aggregate contribution of more than \$500 from a single source received during the 30 days prior to an election (or beginning January 1st for a general primary election).
3. On 18 December 2007, the Committee entered into a contract with Mr. G's Supper Club INC. located 1547 West 87th Street, in Chicago, IL to hold a fundraising event on January 11, 2008. (See attached Contract)
4. Donations were received from various individuals at various times up until the event date.
5. None of the donations received for the fundraising event resulted in a contribution of more than \$500 in aggregate from one source. As such no Scheduled A-1 was required.
5. The resulting donations from the event totaled \$3,290.00 (not \$3,590.00) per the amended report tendered by the Committee.

6. Prior to the fundraising event, the Candidate contacted the Board of Elections and spoke with John Levine, an agent in the Campaign Disclosure Department. The purpose of the call was to confirm that it was not necessary for the committee to file an A-1. At that time, it as explained that A-1's did not apply to fundraisers because the donations received for the fundraising event were from numerous individuals and not a single source. It was further explained that the amount received should be reported in Section A (1) B Not-itemized contribution.

7. The Committee reported the donations from the fundraising event as indicated above. The Committee titled the entry Mr. G's Supper Club because that was the location and date of the fundraising event.

8. Upon receiving the notification regarding the filing, the Candidate called the Board of Elections again and spoke with John Levine and explained what the letter stated. Mr. Levine looked up the information and informed the Candidate that the previous information supplied by him was in fact correct and that their department approved the filing. He stated that the entry made was correct. He explained that he could not be certain why an auditor thought the entry was in error but it could be because the auditor thought that Mr. G's Supper Club made a direct contribution to the Committee (which would have meant that the entry should have been itemized and an A-1 should have been filed). However, because this was a fundraising event held at Mr. G's Supper Club and the donations received were from multiple sources, it should have been recorded exactly the way the Committee did and no Scheduled A-1 was required.

9. The Candidate explained that the Committee was planning another fundraising event and that would fall under this same situation. So as to avoid this issue, should the committee do anything differently? Mr. Levine explained that the entry should be made the same way as reported by the Committee.

10. As such, the Committee is asking that no civil penalty be assessed because the Committee has not violated any of the written and oral rules and procedures as supplied by the State Board of Elections for Illinois and their agents.

11. If the Hearing Examiner has any questions, I can be reached at (773) 776-1433 or (773) 425-1433.

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment for Delinquently Filing the
2008 June Semi-Annual Report

The Final Report, filed in lieu of the 2007 June Semi-Annual Report and the 2007 December Semi-Annual Report was filed on June 18, 2008. The 2007 June Semi-Annual Report was 227 days late, resulting in a civil penalty assessment of \$5000. The 2007 December Semi-Annual Report was 103 days late, resulting in a civil penalty assessment of \$5000. The total assessment is \$10,000.

Dennis C. Dutton, the Bookkeeper, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Dutton stated that Mr. Claude "Al" Tapley passed away on December 24, 2006. His Democratic Leadership for Centreville Township account sat idle from that time until the final funds were donated to the Cahokia Deputy Marshal Program. Neither Mr. Gary Craig nor Mr. Dutton were aware they were responsible for Mr. Tapley's account. Mr. Craig was appointed to fill Mr. Tapley's position January 2007. Once they received notice from the Board that they were responsible, they filed the Final Report dated 6/18/08. Gary Craig and Mr. Dutton went to Springfield on 6/26/08 to resolve any further issues and explained that they were not aware of Mr. Tapley's account and that they would try and comply with all requirements of the Board. He asks that the Board take under advisement that they were not aware of Mr. Tapley's account and that they have tried to comply with the requirements as soon as they were aware of them.

Mr. Dutton contends that neither he nor Gary Craig knew that they were responsible for Mr. Tapley's account. Mr. Craig was listed as the Treasurer on the original D-1 Statement of Organization, signed and filed by Mr. Tapley in October of 2006. It appears that the committee address was Mr. Tapley's address. It is possible that Mr. Craig was unaware that he was listed as Treasurer of the Committee. Report notifications would have been sent to Mr. Tapley's address as it was not changed until Mr. Craig changed it in June of 2008. Mr. Craig, as treasurer, should have received delinquency notices for both the 2007 June Semi-Annual Report and the 2007 December Semi-Annual Report; however, it appears the D-1 submitted by Mr. Tapley had two

different addresses for Mr. Craig, the one where he is listed as treasurer being incorrect. If sent to the incorrect address, he never received any delinquency notices regarding this Committee. In addition, since this Committee had failed to file the reports, a complaint had been filed against the Committee. As the Treasurer of record, Mr. Craig did receive this notice; it appears that the second address (the correct address) listed for Mr. Craig was used by the Board and he received it. As soon as he received this notice on 6/9/08, he filed the report on 6/18/08. On 6/26/08, he and Mr. Dutton drove to Springfield to ensure that they had done everything they were required to do. Since Mr. Tapley is now deceased and we cannot know what information, if any he shared with Mr. Craig; since report notices were being sent to Mr. Tapley's address; since delinquency notices were probably being sent to a bad address for Mr. Craig; since he immediately filed the report when the correct address was used; since both he and Mr. Dutton made a special trip to Springfield after filing the report; since the Committee is final and will not be reactivated as the candidate is deceased; since the \$428 in remaining funds was given to the Cahokia Deputy Marshal's Program; and since there is a great deal of confusion regarding Mr. Craig's involvement, or lack of involvement in the committee, I recommend that the appeal be granted.

To Whom It May Concern:

Please be advised that Mr. Claude "Al" Tapley passed away on December 24, 2006. His Democratic Leadership for Centreville Township account sat idle from that time until the final funds were donated to the Cahokia Deputy Marshal Program. Neither Mr. Gary Craig nor I were aware we were responsible for Mr. Tapley's account. Mr. Craig was appointed to fill Mr. Tapley's position January 2007. Once we received notice from the State Board of Elections that we were responsible, we filed the final report dated 06/18/2008. Gary Craig and I came to Springfield on 06/26/2008 to resolve any further issues and explained that we were not aware of Mr. Tapley's account and that we would try and comply with all the requirements of the State Board of Elections. We thought we had resolved all issues pertaining to the account.

We received a notice dated 08/28/2008 that we were being assessed a fine of \$5000.00 for failure to comply with the required filings of the Semiannual Report of Campaign Contributions and Expenditures for January 1, 2007 through June 30, 2007 and an additional \$5000.00 for not filing July 1, 2007 through January 22, 2008.

We are requesting that the State Board of Elections take under advisement that we were not aware of the above mentioned account and we have tried to comply with the requirements as soon as we were aware of them. We would appreciate the Boards understanding and request they abstain from assessing the civil penalties of \$10,000.00.

Appeal of Civil Penalty Assessment for Failure to File a
Schedule A-1 for the 2008 General Primary Election

This Committee received a loan of \$5000 from the candidate on 1/16/08, and reported it on a Schedule A-1 on 2/1/08, 9 days late, resulting in a civil penalty of \$5000.

Carol Van Winkle, the Chairman of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Van Winkle referenced an attached letter. In the letter she stated that she misunderstood the way the A-1 filing period operates. She did not understand that a loan from the candidate to the committee was to be reported on a Schedule A-1. She just thought it had to be included in the semi-annual report. Upon making her second loan to the committee, she informed her treasurer, and he informed her of the need to file an A-1 reporting the loan/donation.

I recommend that the appeal be granted, as this penalty was assessed in error. It has been the policy of the Board to grant amnesty to a committee that receives a loan from the candidate that should have been reported on a Schedule A-1, if the committee has not previously been cited for this type of violation. In this situation, the Committee is sent a letter advising them of this policy and told that this is a one-time amnesty and that if similar violations occur again, the Committee will be assessed fines normally. The letter was sent to this Committee on April 14, 2008, but the Committee was also assessed a penalty. This assessment was in error and the Board apologizes for any inconvenience caused the Committee.

Dear Friends of Carol VanWinkle;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than \$500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

<u>Contributed By</u>	<u>Date of Contribution</u>	<u>Fine Assessed</u>	<u>Amount of Contribution</u>	<u>Date A-1 Received</u>	<u>Days Late</u>
Carol VanWinkle	1/16/08	\$5000.00	\$5000.00	2/1/08	9

The committee is fined a **total** of \$5000.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total **does not** reflect any previously assessed fines.

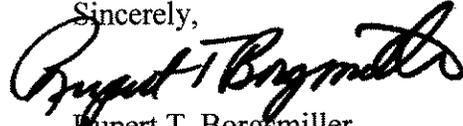

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to \$500.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. If your committee has no other civil penalty assessments and only one delinquent Schedule A-1 amount is listed above, the penalty will be **stayed** as a first violation and would only become due and owing upon any subsequent delinquent filings by the committee.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

If you have any questions regarding the appeal procedure, please call Sue McArthur at 217/782-1543.

Sincerely,

Rupert T. Borgsmiller

* This contribution was reported on the June 2008 Semi-annual Report but should have been reported on a Schedule A-1 Report of Campaign Contributions of more than \$500.00, within 2 business days of receipt.

** This contribution did not, by itself, necessitate filing of a Schedule A-1. No fine was assessed for this contribution – it is listed for informational purposes only. A subsequent contribution, when aggregated with this contribution, exceeded the "more than \$500.00" threshold and was used as the basis for the fine assessment.

Re: Appeal Affidavit and Waiver of
Appearance at Hearing Forms

Dear Election Commissioners,

I am writing to appeal the fine that has been levied against my campaign committee,
Friends of Carol VanWinkle (S9495).

I misunderstood the way the A-1 filing period operates. I was aware that if a donation in excess of \$500.00 is received (either lump sum or aggregate during the period) it must be reported within 48 hours of receipt. I did not understand that a loan from the candidate (myself) to the committee was to be reported in the same manner. I thought that it just needed to be included in the semi-annual reports.

Upon making a second loan to my committee, I informed my treasurer, and he informed me of the need to file an A-1 reporting the loan/donation.

I am asking that the board remove the infraction from my committee. Thank you for your professional courtesy in reviewing my appeal.

Sincerely,

Carol VanWinkle

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment for Delinquently Filing the
2008 June Semi-Annual Report

This Report was received on July 28, 2008, 5 days late, resulting in a civil penalty assessment of \$250. In addition, this Committee was previously assessed a \$1225 penalty (not appealed, stayed) for delinquently filing the 2007 December Semi-Annual Report. The total assessment is \$1475.

Yvette Williams, the Chairman/Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Williams stated that she filed the said report on July 22, 2008, and, in error, had the wrong date on the electronic filing. She was given a call on July 28, 2008, informing her of the error, and she made the correction that same day. An attachment stated that she was involved in a major automobile accident, April 5, 2008, and was under medication during the time she filed the semi-annual report.

I contacted Ms. Williams in order to gain more information regarding what steps she originally took to file the report. A semi-annual report was filed on July 22nd, at 12:01 am, one minute late; it was the 2007 December Semi-Annual Report. The report that is highlighted is the one that will be uploaded; Ms. Williams had the 2007 December Semi-Annual Report highlighted, not the 2008 June Semi-Annual Report. When contacted by the Board on July 28th, she immediately uploaded the correct report. In order to be consistent with prior Board decisions when a reasonable electronic filing issue is presented by the Committee as a defense, I recommend that the appeal be granted. The report began and ended with \$0 and there was no activity. It was immediately followed by the filing of a Final Report.

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment for Delinquently Filing the
June 2008 Semi-Annual Report

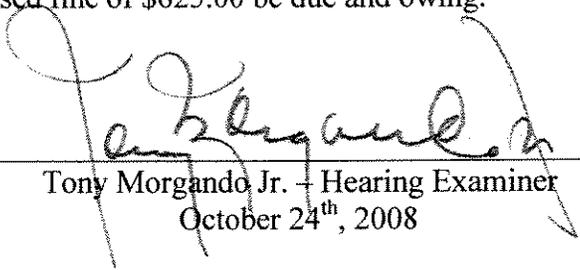

The political committee's June 2008 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on July 28th, 2008, five (5) days late. As such, the political committee has been assessed a fine of \$125.00. In addition, the political committee was previously assessed a penalty of \$500.00 for the delinquent filing of its November 2006 Pre-Election Report. The total assessment is \$625.00. Since this is a subsequent violation, it will be required to be paid by the political committee within thirty (30) days of the issuance of a Final Board Order.

Mr. Mark Nyman, Treasurer, filed a Request for Hearing and Appeal Affidavit, on September 15th, 2008, indicating in part: "My first attempt at using the software was January 2008. I successfully filed a semi-annual report at that time with the assistance of a technical support person via a phone conversation. As I utilized the electronic filing system in preparing my semi-annual report, due July 21, 2008, it appeared to me that I had successfully completed and filed the report. One of the fields displayed on the software screen denotes the filed date of the report. Because that filed contained my filing date I interpreted that as evidence that I had filed the report successfully. In reality, I failed to perform the step in the filing process that would have transmitted the report to the state".

Hearing in this matter was set for Wednesday, October 15th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, Suite 14-100, Chicago, Illinois, at 9:00 a.m.

Mr. Mark Nyman, Treasurer, appeared on behalf of the political committee. Mr. Nyman affirmed statements provided in his Appeal Affidavit, and indicated prior assistance provided by SBE staff, Ms. Sharon Steward.

Based upon a review of the documents/statements presented in this matter, and consideration of a prior filing delinquency, the Hearing Examiner finds there are no reasonable grounds for the June 30th 2008 Semi-Annual Report to have been filed late. Therefore, it is the recommendation of the Hearing Examiner that the appeal be denied, and the assessed fine of \$625.00 be due and owing.

REQUEST FOR HEARING

Committee, appeals on behalf of the said committee the assessment of civil penalty proposed in this matter and submits in support of that appeal the accompanying affidavit. The said committee requests a public hearing at which it will appear to offer reasons and defenses why the proposed assessment should not be imposed.

Mark A. Nyman
(Signature of Chairman/Treasurer)

To Whom It May Concern:

I became Treasurer of the Campton Township Republican Party, Inc., sometime around May 2006. I have been filing the periodic reports using the paper format since the beginning of my term of service. As of January 2008, it has been my intention to utilize the electronic filing system provided by the State of Illinois to file the required periodic reports of my organization. My first attempt at using the software was January 2008. I was a bit overwhelmed by the complexity and level of ambiguity of the reporting software. I successfully filed a semi-annual report at that time with the assistance of a technical support person via a phone conversation. I was unable to figure the software out without that person's assistance.

As I utilized the electronic filing system in preparing my semi-annual report, due July 21, 2008, it appeared to me that I had successfully completed and filed the report. One of the fields displayed on the software screen denotes the filed date of the report. Because that field contained my filing date I interpreted that as evidence that I had filed the report successfully. That is where I made my error. In reality, I failed to perform the step in the filing process that would have transmitted the report to the state. This resulted in the report being filed late.

I am also responsible for the late filing of the Pre-Election report due October 23, 2006. At the time the report was due, I was not aware of my obligation. Graciously the state granted a stay of the civil penalty as this was a first violation. I had recently become Treasurer of the organization and simply had not yet become familiar with the reporting requirements and schedule for the filing reports, nor was I receiving the reminders and report packages from the state. I now receive these reminders and reporting packages.

If it is possible I would hope the Review Board would grant me favor by considering my explanation and reversing the most recent fine and allowing me to operate under the stay granted at the first offense. I would ask the review board to consider my struggle in utilizing the tool provided and provide another opportunity prove my willingness and ability to perform the responsibilities of my position according to the standards established by the state. I simply failed to properly execute the electronic file submission procedure. I will not make that mistake again.

Best Regards,

Mark Nyman

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment for Delinquently Filing the
June 2008 Semi-Annual Report

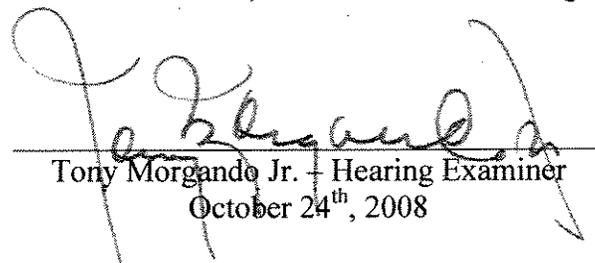

The political committee's June 2008 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on July 28th, 2008, seven (7) days late. As such, the political committee has been assessed a fine of \$525.00. In addition, the political committee was previously assessed a penalty of \$150.00 for the delinquent filing of its June 2002 Semi-Annual Report; \$150.00 for delinquently filings its December Semi-Annual Report; \$1,125.00 for delinquently filing its June 2003 Semi-Annual Report; \$1,200.00 for delinquently filing its June 2005 Semi-Annual Report, and \$975.00 for delinquently filing its December 2006 Semi-Annual Report. The total assessment is \$4,125.00. Since this is a subsequent violation, it will be required to be paid by the political committee within thirty (30) days of the issuance of a Final Board Order.

Mr. James T. Derico Jr., Treasurer, filed a Request for Hearing and Appeal Affidavit, on September 29th, 2008, indicating: "I have only recently become treasurer. I thought the report was due 7/31/08. I was also out sick when the chairman tried to contact me regarding the filing of the report".

Hearing in this matter was set for Wednesday, October 15th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, Suite 14-100, Chicago, Illinois, at 9:30 a.m. By request of the Respondent, this matter was continued to Thursday, October 16th, 2008, at 12:30 p.m.

Mr. James T. Derico, Jr., Treasurer appeared on behalf of the political committee. Mr. Derico affirmed statements provided in his Appeal Affidavit, and indicated the political committee would be preparing and filing a Final Report.

Based upon a review of the documents/statements presented in this matter, and consideration prior filing delinquencies, the Hearing Examiner finds there are no reasonable grounds for the June 30th 2008 Semi-Annual Report to have been filed late. Therefore, it is the recommendation of the Hearing Examiner that the appeal be denied, and the assessed fine of \$4,125.00 be due and owing.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing the
2008 June Semi-Annual Report

The Report was received on July 25, 2008, 4 days late, resulting in a civil penalty assessment of \$300. In addition, this Committee has previously been assessed a \$225 civil penalty (not appealed, paid) for delinquently filing the 2003 December Semi-Annual Report; a \$650 civil penalty (appealed, appeal denied, paid) for delinquently filing the 2004 June Semi-Annual Report; a \$150 civil penalty (not appealed, paid) for delinquently filing the 2004 December Semi-Annual Report; and a \$150 civil penalty (not appealed, paid) for delinquently filing the 2006 June Semi-Annual Report. The total outstanding assessment is \$300.

Antionette Maxwell, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

Ms. Maxwell stated on the Affidavit that she filed the semi-annual report on July 26, 2008, and according to the Board, four days late. It was her understanding that the report was due on July 31, 2008. However, since the Board changed the due date of the reports from the end of the month to around the 21st of the month. She mistakenly filed the report late. She asks that the Board consider a waiver of the fine due to the fact that she thought the due date was still at the end of the month, as it has been for several years, and that this is considered a first violation.

Ms. Maxwell asks for leniency due to the change in the filing deadline for the semi-annual report. The law changing the due date of the semi-annual report was enacted in June of 2007. All committees were notified of this a number of times. In addition, an amnesty was granted for the first semi-annual report filed under the new schedule, the 2007 June Semi-Annual Report; any committee that filed that report by July 31, 2007, was not fined, but was sent a letter stating that they were not being fined for that particular report, but that all subsequent semi-annual reports had to be filed timely. In fact, this committee was one that filed its report on July 31, 2007, and received the letter. Because of this, and because of the fact that this is now the third report to be filed under the new schedule, I recommend that the Appeal be denied for lack of an adequate defense. If this recommendation is accepted by the Board, the \$300 will be due and owing.

Dear Citizens to Elect Norman Bolden Alderman of the 4th Ward;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contribution and Expenditures
Report Period:	January 1, 2008 through June 30, 2008
Filing Period:	July 1, 2008 through July 21, 2008

Based upon this committee's failure to comply with the provision of 10 ILCS 5-9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received on July 25, 2008, 4 day(s) late. As such, this committee has been assessed a fine of \$300.00.

Enclosed please find the Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If the above listed violation is not appealed and since this is a subsequent violation it will be required to be paid by the committee within 30 days:

REPORT OF HEARING EXAMINER

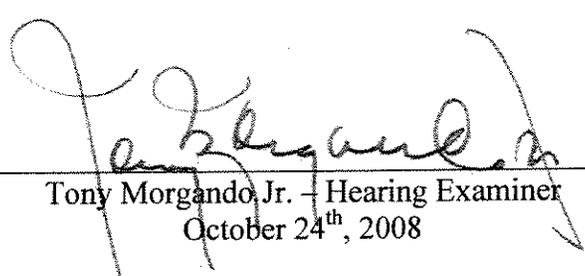

Appeal of Civil Penalty Assessment for Delinquently Filing the
June 2008 Semi-Annual Report

The political committee's June 2008 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on July 31st, 2008, eight (8) days late. As such, the political committee has been assessed a fine of \$200.00. It should be noted that the political committee filed a Final Report simultaneously with its June 2008 Semi-Annual Report, on July 31st, 2008.

Mr. Kent Griffiths, Chairman, filed a Request for Hearing and Appeal Affidavit, on September 29th, 2008, indicating: "All previous reports filed on last day on time. Inadequate notice by Board correspondence employees, nothing on outside of envelopes calling attention to new filing deadlines, previously July 31st, and January 31st."

Hearing in this matter was set for Wednesday, October 15th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, Suite 14-100, Chicago, Illinois, at 10:00 a.m. Mr. Ken Griffiths, Candidate, appeared on behalf of the political committee.

I feel based upon a review of the documents presented in this matter, it is the opinion of the Hearing Examiner that the June 2008 Semi-Annual Report was filed late and that the appeal be DENIED. The Hearing Examiner further recommends considering this is a first violation, that the assessed fine of \$200.00 be stayed. Considering a Final Report has been filed by the political committee, it is further recommended by the Hearing Examiner, that such fine be abated, if the political committee remains dissolved for a period of two (2) years following the date of the Final Order of the Board imposing the penalty.

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Period:	January 1, 2008 through June 30, 2008

Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.

Since this is a first time violation, the assessed civil penalty will be *stayed*. Any subsequent violation of any provision of Article 9 of the Election Code or of a Board Order shall result in the assessment of an additional penalty as provided in Section 125.425 of the Rules and Regulations governing the State Board of Elections, with that civil penalty and any previously assessed penalty to be paid within 30 days. Therefore, you need not pay this assessed civil penalty unless another violation occurs.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing the
June 2008 Semi-Annual Report

The political committee's June 2008 Semi-Annual Report was electronically received by the State Board of Elections (herein referred to as SBE) on August 19th, 2008, twenty-one (21) days late. As such, the political committee has been assessed a fine of \$2,100.00. In addition, the political committee was previously assessed a penalty of \$150.00 for the delinquent filing of its December 31st, 2007 Semi-Annual Report. The total assessment is \$2,250.00. Since this is a subsequent violation, it will be required to be paid by the political committee within thirty (30) days of the issuance of a Final Board Order.

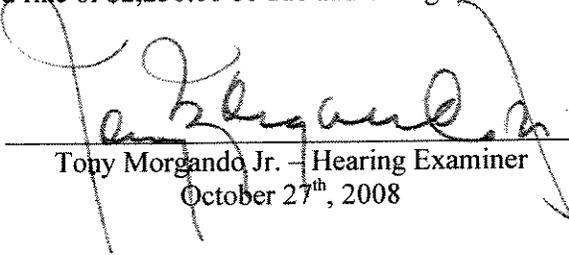

Ms. Virginia E. Lippig, Treasurer, filed a Request for Hearing and Appeal Affidavit, on September 9th, 2008, indicating in part: "Doing the report electronically was a problem, Andy Nauman from State Board of Elections helped to correct and complete this form electronically on 8-19-08".

Hearing in this matter was set for Wednesday, October 15th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, Suite 14-100, Chicago, Illinois, at 11:00 a.m.

Ms. Laura Fitzpatrick, candidate, appeared on behalf of the political committee. Ms. Fitzpatrick affirmed statements provided in his Appeal Affidavit, that electronic issues occurred which delayed the filing of the June 30th, 2008 Semi-Annual Report. Such issues required assistance of SBE staff, Mr. Andy Nauman.

Discussions with Mr. Nauman indicated his telephonic assistance provided to the political committee. Mr. Nauman stated this was the 2nd instance that the political committee failed to file required reports electronically; (1) the December 31st, 2007 Semi-Annual Report was initially filed on paper January 25th, 2008, followed by an electronic filing January 30th, 2008, and (2) the June 30th, 2008 Semi-Annual Report was initially filed on paper July 22nd, 2008, followed by an electronic filing August 19th, 2008. The Disclosure Division notified People for Laura Fitzpatrick, in correspondence dated February 13th, 2008, that "In the future, reports from your committee will not be considered filed until they are filed electronically", see attachment.

Based upon a review of the documents/statements presented in this matter, and consideration of a prior filing delinquency, the Hearing Examiner finds there are no reasonable grounds for the June 30th 2008 Semi-Annual Report to have been electronically filed late. Therefore, it is the recommendation of the Hearing Examiner that the appeal be denied, and the assessed fine of \$2,250.00 be due and owing.

Re: Semi-Annual Report (L-14457)

Dear Committee:

Thank you for filing a Semi-Annual Report with us. However, please be advised that under the Campaign Disclosure Act, your committee is required to file its reports electronically. The act states:

"Beginning July 1, 2003, electronic filing is required for all political committees that during the reporting period (i) had at any time a balance or an accumulation of contributions of \$10,000 or more, (ii) made aggregate expenditures of \$10,000 or more, or (iii) received loans of an aggregate of \$10,000 or more."

Because your committee exceeded the \$10,000 threshold, it is required to file its reports electronically. Electronic filing software is available free of charge at the State Board of Elections website at www.elections.il.gov, or by contacting us at (217) 782-4141. Technical support in using the software is similarly available.

This letter serves as your committee's written warning, under Section 100.150 of the Board's Rules and Regulations, that your committee's reports must be filed electronically. In the future, reports from your committee will not be considered filed until they are filed electronically. A paper report will be considered as never having been filed (regardless of whether it is submitted on or before the filing deadline) and penalties for late filing will accrue from the date of the filing deadline.

If you have any questions or if you need assistance please contact the Campaign Disclosure Division at (217) 782-4141.

Sincerely,

Dear Political Committee:

Our records indicate your committee has failed to electronically file the following document as required by 10 ILCS 5/9-28 of the Election Code:

Report Type: Semi-Annual Report of Campaign Contributions and Expenditures
Report Period: January 1, 2008 through June 30, 2008
Filing Period: July 1, 2008 through July 21, 2008

Although your committee did file this report on paper, it had previously been informed of the need to file all reports electronically. Therefore, under Section 100.150 of the Board's Rules and Regulations the paper report is now considered as never having been filed.

Based upon your committee's failure to comply with the filing requirements, it is being assessed a civil penalty for each day this report was unfiled. The penalty for late filing will accrue from the date of the original report filing deadline, and will continue until such time as this reports is filed electronically.

After your report is received electronically in this office, you will be mailed an assessment notice, advising you of the amount of the civil penalty being assessed against this committee. You will also be provided with forms with which to appeal such penalty, if you feel you have been assessed such penalty in error. Notice of Appeal must be filed within 30 days of the mailing of the assessment notice. If you fail to file a Notice of Appeal within this 30 day period of time, you forfeit the right to contest the assessment notice at any time in the future.

The assessed civil penalty shall be stayed for a first time violation. Any subsequent violation of any provision of Article 9 of the Election Code or of a Board Order shall result in the assessment of another penalty as provided in Section 125.425 of the Rules and Regulations, with that civil penalty and any previously assessed penalty to be paid within 30 days.

Please remember that your committee is required to file all reports electronically. Paper reports from your committee will be considered non-filings.

If you have any questions or need assistance please contact the Campaign Disclosure Division at (217) 782-4141.

Dear Mr. Morgando,

On October 15, 2008, Laura Fitzpatrick appeared before you for the Appeal Hearing regarding the fact that the Semiannual Report of Campaign Contribution and Expenditures was mailed in on 7-15-08, instead of filed electronically.

I am so very sorry that this report was not filed electronically initially. As a tax accountant for over 51 years, I am very used to following correct procedures, but was not aware that the only acceptable way was to file this report electronically.

Andy Neuman was very patient and helpful to help me complete this form electronically on 8-19-08.

I filed the next report electronically on October 17, 2008. I am asking that you would reverse the fine of \$2250.00 to zero. I am not charging for helping in this matter and would truly appreciate your understanding this situation. I had no intension of doing anything against the rules. That is not how I do business as a tax accountant.

I am thanking you in advance, as all of the reports are and will be filed electronically from August 19, 2008 until this Political Committee no longer exists.

Sincerely,

REPORT OF HEARING EXAMINER

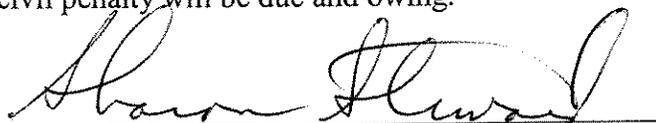

Appeal of Civil Penalty Assessment for Delinquently Filing the
2008 June Semi-Annual Report

The Report was received on July 22, 2008, 1 day late, resulting in a civil penalty assessment of \$50. In addition, the Committee was previously assessed a \$175 penalty (not appealed, stayed) for delinquently filing the 2007 June Semi-Annual Report. The total assessment is \$225.

Danny R. Arnold, the Treasurer of the Committee, filed a Request for Hearing and an Appeal Affidavit.

On the Affidavit, Mr. Arnold stated that he was not aware that the post mark had to be 72 hours before the due date of the campaign disclosure. Also, he stated that he was told by phone if it was postmarked on the due date it would be okay. A hearing was held at 10:00 am, Wednesday, October 15, 2008. Mr. Arnold appeared on behalf of the Committee. He stated that he was a new treasurer. He stated that someone had told him that a due date post mark was okay, but did not know who he had spoken with. He said he has since been doing additional reading regarding reporting requirements. He brought up the first delinquent filing, saying that he had mailed it but it had not been received by the Board.

Board records show that Mr. Arnold has been treasurer of this committee since July of 2006. Board publications, as well as the report notification letter sent to a committee each time a report is due, clearly state the rule regarding the use of the postmark date in determining the timeliness of a report filing. In addition, I advised Mr. Arnold that the time had passed to appeal the previously assessed penalty, and that penalty could not be considered at this hearing. I therefore recommend that the appeal be denied for lack of an adequate defense. If this recommendation is accepted by the Board, the stay will be lifted from the previously assessed penalty, and the \$225 civil penalty will be due and owing.

Dear Greene County Republican Central Committee;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contribution and Expenditures
Report Period:	January 1, 2008 through June 30, 2008
Filing Period:	July 1, 2008 through July 21, 2008

Based upon this committee's failure to comply with the provision of 10 ILCS 5-9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received on July 22, 2008, 1 day(s) late. As such, this committee has been assessed a fine of \$50.00.

Enclosed please find the Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.

If the above listed violation is not appealed and since this is a subsequent violation the previously stayed fine(s) for delinquent filing is now also required to be paid by the committee within 30 days:

Reporting Period	Report Type	Previous Fine Amount
1/1/2006 - 6/30/2006	Semi-annual	\$175.00
TOTAL AMOUNT NOW DUE		\$225.00

If you have any questions regarding the appeal process, please call Sue McArthur at 217/782-1543.

Sincerely,

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment

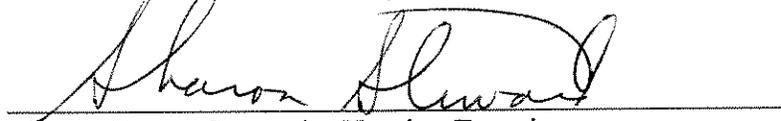

For Failing to File a Schedule A-1 for the 2008 General Primary Election

This Committee received 1 contribution of \$550 on 1/3/08, but failed to list it on a Schedule A-1, resulting in a civil penalty assessment of \$550. In addition, this Committee failed to file a Schedule A-1 for the 2006 General Primary Election, resulting in a civil penalty assessment of \$130 (appealed, appeal denied, penalty stayed). The total assessment is \$690.

Donald R. Gronewald, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Gronewald stated that his only excuse for not filing this A-1 was that he overlooked it in his records. He states that as the Board can tell by the Committee's records, many other contributions were filed timely. He takes his duties very seriously and has no intention or reason to break the rules. He asks that the penalty be reduced to the lowest possible dollar amount.

I recommend that the appeal be denied for lack of an adequate defense. However, since there is no indication that this violation was anything other than inadvertent and unintentional, (the Committee filed nine other Schedule A-1s during this filing period), I also recommend that, as this is a second violation, the penalty be reduced to 50% of the original assessment, or \$275. If this recommendation is accepted by the Board, the stay will be lifted from the first violation, and the entire amount of \$405 will be due and owing.

Dear Tazewell County Republican Central Committee;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than \$500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

<u>Contributed By</u>	<u>Date of Contribution</u>	<u>Fine Assessed</u>	<u>Amount of Contribution</u>	<u>Date A-1 Received</u>	<u>Days Late</u>
Pekin Insurance	1/3/08	\$550.00	\$550.00	*not filed	20

The committee is fined a **total** of \$550.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total **does not** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the second delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to \$275.00, (50% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

If you have any questions regarding the appeal procedure, please call Sue McArthur at 217/782-1543.

REPORT OF HEARING EXAMINER

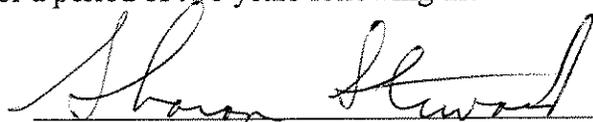

Appeal of Civil Penalty Assessment for Delinquently Filing the
2008 June Semi-Annual Report

The Final Report, filed in lieu of the June 2008 Semi-Annual Report, was received on July 22, 2008, 1 day late, resulting in a civil penalty assessment of \$100. In addition, this Committee had previously been assessed a civil penalty of \$350 (not appealed, penalty stayed) for delinquently filing the 2007 June Semi-Annual Report. The total assessment is \$450.

Sheliah Murphy, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Murphy stated that in order to file the Final Report, she needed access to all accounting records regarding the Patchett for Judge bank account. All bank statements, check register and computer records were in the possession of Sheri D. Patchett. Mrs. Patchett was out of the office the week of July 14, 2008, preparing for the birth of her first grandchild. Said grandchild was born on July 16, 2008, and Mrs. Patchett returned on Monday July 21, 2008, the day the report was due. Ms. Murphy did not have access to any of the financial information until it was provided to her on that date.

I recommend that the Appeal be denied for lack of an adequate defense. Section 5/9-7 of the Campaign Disclosure Act lists the accounting responsibilities of the Treasurer. Section 5/9(a) of the Act states that the treasurer is responsible for filing the disclosure reports. Using as a defense the fact that the treasurer had no access to records necessary to complete and file the reports is not a valid defense. If this recommendation is accepted by the Board, the stay will be lifted from the \$350 assessment, and the total assessment is \$450. Noting that the report filed on July 22, 2008, was a Final Report, I further recommend that the fine be abated if the Committee remains dissolved for a period of two years following the date of the Final Board Order imposing the penalty.

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment for Failure to File a
Schedule A-1 for the 2008 General Primary Election

This Committee received two contributions of \$500, one on 1/27/08 and a second on 1/28/08, from Michael Reilly, but failed to list them on a Schedule A-1. The assessed penalty is \$500.

Leah Song Richardson, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Richardson stated that this was the first time she ever served as a Treasurer. She did her best to comply with all the rules. Unfortunately, she made a mistake in failing to file a Schedule A-1. It was not done intentionally, and if she ever serves in this capacity again, she will definitely remember to file a timely Schedule A-1.

I recommend that the appeal be denied for lack of an adequate defense. However, since there is no indication that this violation was anything other than inadvertent and unintentional, I also recommend that the penalty be reduced to 10% of the original assessment or \$50. As a first violation, the penalty is stayed. In addition, since this Committee has filed a Final Report, during the two year period beginning with the date of the final Board Order, any successor committee shall be considered, for assessment purposes, as not having violated Section 9-10 if it is assessed no other penalty.

REPORT OF HEARING EXAMINER

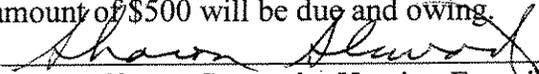

Appeal of Civil Penalty Assessment for Failure to File a
Schedule A-1 for the 2008 General Primary Election

This Committee received two contributions, one of \$1000 on 2/2/08, and a second of \$5500 on 1/11/08, but failed to list them on a Schedule A-1. The assessed penalty is \$6500. In addition, this Committee was assessed a penalty of \$400 (appealed, appeal denied, stayed) for delinquently filing the 2008 June Semi-Annual Report. The total assessment is \$6900.

Nathan Kirkwood III, the Treasurer, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Kirkwood stated that the contribution records could not be located at such time due to a flood(s) sustained from repeated sewer backup at the treasurer's work office for which he conducted committee business. In addition, the flood created an environment which was not conducive to committee work.

After a review of this Committee's filing history, I find that the \$5500 contribution received on 1/11/08, was indeed reported on a Schedule A-1 which was timely filing on 1/14/08, and that the penalty was assessed in error. Therefore, the only contribution not reported was the contribution of \$1000 received on 2/2/08. In regards to that violation, I recommend that the appeal be denied for lack of an adequate defense. This Committee filed its 2007 December Semi-Annual Report as well as several Schedule A-1s during that A-1 filing period, both before and after the date of the contribution in question. Therefore, even if a sewer backup was a valid defense for failure to file, which I believe it is not, he was able to file many other reports during that period of time. However, since this is the first time he has failed to file a Schedule A-1, and since there is no indication that this violation was anything other than inadvertent and unintentional, I also recommend that the penalty be reduced to 10% of the original assessment, or \$100. If this recommendation is accepted by the Board, the stay will be lifted from the initial penalty, and the total amount of \$500 will be due and owing.

Committee to Elect Furmin Sessoms

Dear Committee to Elect Furmin Sessoms;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than \$500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

<u>Contributed By</u>	<u>Date of Contribution</u>	<u>Fine Assessed</u>	<u>Amount of Contribution</u>	<u>Date A-1 Received</u>	<u>Days Late</u>
Frank Sessoms	2/2/08	\$1000.00	\$1000.00	*not filed	1
Sharon Sessoms	1/11/08	\$5500.00	\$5500.00	*not filed	14

The committee is fined a **total** of \$6500.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total **does not** reflect any previously assessed fines.

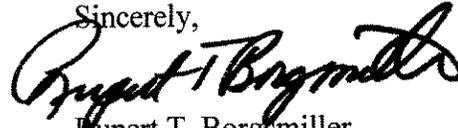

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to \$650.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

If you have any questions regarding the appeal procedure, please call Sue McArthur at 217/782-1543.

Sincerely,

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment for Delinquently Filing the
June 2008 Semi-Annual Report

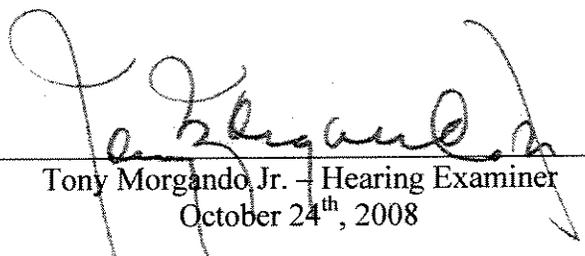

The political committee's June 2008 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on July 25th, 2008, four (4) days late. As such, the political committee has been assessed a fine of \$200.00.

Mr. Joseph W. Rogul, Treasurer, filed a Request for Hearing and Appeal Affidavit, on September 29th, 2008, indicating: "I, the Treasurer, personally attempted to file the required report on July 21, 2008 as required and in good faith I believed that I had filed the report using the software provided. I found out from the Illinois State Board of Elections a day or so later that I failed to click the correct buttons for filing the report electronically because I misunderstood the software".

Hearing in this matter was set for Wednesday, October 15th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, Suite 14-100, Chicago, Illinois, at 1:30 p.m. The political committee filed a Final Report on Wednesday, October 22nd, 2008, terminating its activity in the state of Illinois.

Mr. Joseph W. Rogul, Treasurer, appeared on behalf of the political committee. Ms. Smith affirmed statements provided in his Appeal Affidavit.

I feel based upon a review of the documents presented in this matter, it is the opinion of the Hearing Examiner that the June 2008 Semi-Annual Report was filed late and that the appeal be DENIED. The Hearing Examiner further recommends considering this is a first violation, that the assessed fine of \$200.00 be stayed. Considering a Final Report has been filed by the political committee, it is further recommended by the Hearing Examiner, that such fine be abated, if the political committee remains dissolved for a period of two (2) years following the date of the Final Order of the Board imposing the penalty.

Dear Patrick Dennis Riley Campaign;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contributions and Expenditures
Report Period:	January 1, 2008 through June 30, 2008
Filing Period:	July 1, 2008 through July 21, 2008

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on July 25, 2008, 4 day(s) late. As such, this committee has been assessed a fine of \$200.00.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.

Since this is a first time violation, the assessed civil penalty will be *stayed*. Any subsequent violation of any provision of Article 9 of the Election Code or of a Board Order shall result in the assessment of an additional penalty as provided in Section 125.425 of the Rules and Regulations governing the State Board of Elections, with that civil penalty and any previously assessed penalty to be paid within 30 days. Therefore, you need not pay this assessed civil penalty unless another violation occurs.

If you have questions regarding the appeal process, please call Sue McArthur at 217/782-1543.

Sincerely,

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment for Delinquently Filing the
June 2008 Semi-Annual Report and Failure to file a Schedule A-1 in conjunction with
the February 2008 Election

The political committee's June 2008 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on July 31st, 2008, eight (8) days late (\$400.00). Such report reflected a contribution received during the Schedule A-1 filing period, January 1st, 2008 through February 4th, 2008, which failed to be reported on a Schedule A-1, as required by statute; Act Blue Illinois, dated 1/13/08, the amount of \$1,150.00. As such, the political committee has been assessed a total fine of \$1,550.00.

Ms. Amy Sue Mertens, Candidate/Chairman, filed a request for Hearing and Appeal Affidavit, on September 25th, 2008, indicating in part: "As the Chairman, when I was contacted by the Board and was told that my Treasurer had not filed the report, I immediately took action. I discovered that my Treasurer was half way around the world on travel, and that I did not have sufficient information to file the report on my own. Through broken communications with him and support from others and staff members of the Board, I was able to gather the information needed to file a report while he has been gone. Because I took immediate action, I would like to appeal to the Board to repeal this fine". In relation to the assessed penalty in the amount of \$1,150.00 for the political committee's failure to file a Schedule A-1, "This contribution was an aggregate of donation through Act Blue. No single contribution was over \$500.00".

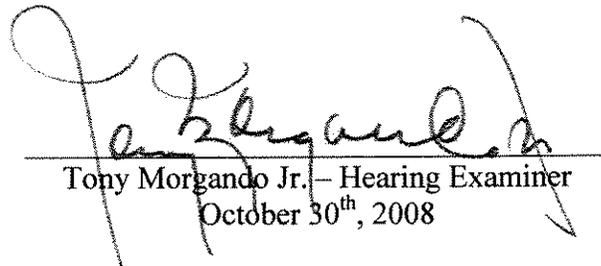

Attached to the Appeal Affidavit is a copy of (1) a check issued to Friends for Mertens, from Act Blue Illinois, dated January 13th, 2008, in the amount of \$1,150.00, indicating the source as "9" contributors, and, (2) a listing of the 9 individuals, and amounts contributed, as downloaded from the Act Blue Illinois website. Such listing indicated no individual contribution exceeded \$500.

Hearing in this matter was set for Wednesday, October 15th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, Suite 14-100, Chicago, Illinois, at 1:00 p.m. This matter was continued to Friday, October 17th, 2008, and telephonically discussed on Monday, October 27th, 2008

Ms. Amy Sue Mertens, Candidate, appeared/spoke on behalf of the political committee, during those dates indicated above. Ms. Mertens confirmed statements provided in her Appeal Affidavit, and has continued to work closely with SBE staff to address any/all outstanding issues.

In relation to the political committee's failure to file a Schedule A-1 in conjunction with the February 2008 election, disclosing a \$1,150.00 contribution from Act Blue Illinois during the Schedule A-1 filing period, case number 08 AP 071, it is the opinion of the Hearing Examiner that such contribution was an aggregate of non-itemized donations to the political committee and exempt from the Schedule A-1 requirement. Therefore, the recommendation of the Hearing Examiner is that the appeal be GRANTED, contingent on the political committee filing an amended June 2008 Semi-Annual Report within 30 days of the effective date of the Final Board Order.

In addition, I feel based upon a review of the documents/statements presented in case number 08 JS 195, no reasonable grounds exist for the late filing of the June 2008 Semi-Annual Report. Therefore it is the recommendation of the Hearing Examiner that the appeal be DENIED, and the assessed penalty of \$400.00 be stayed as a first violation.

Appeal of Biannual Reporting Fine Assessed to Friends of Mertens

I am writing to appeal to the Board of Elections to repeal the fine on Friends of Mertens for lateness in filing its biannual report. As the Chairman, when I was contacted by the Board and was told that my Treasurer had not filed the report, I immediately took action. I discovered that my Treasurer was half way around the world on travel, and that I did not have sufficient information to file the report on my own. Through broken communications with him and support from others and staff members at the Board, I was able to gather the information needed to file a report while he has been gone. I went to the Board of Elections office in Chicago and worked with Tom Cloonan to learn the IDIS program and enter the information I had.

Because I took immediate action, I would like to appeal to the Board to repeal this fine. The Board will note that the amended D-2 was recently filed by my Treasurer and indicates that Friends of Mertens has a negative balance. This negative balance accurately represents the financial state of the committee.

Dear Friends of Mertens;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than \$500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

<u>Contributed By</u>	<u>Date of Contribution</u>	<u>Fine Assessed</u>	<u>Amount of Contribution</u>	<u>Date A-1 Received</u>	<u>Days Late</u>
ActBlue Illinois	1/13/08	\$1150.00	\$1150.00	*not filed	14

The committee is fined a **total** of \$1150.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total **does not** reflect any previously assessed fines.

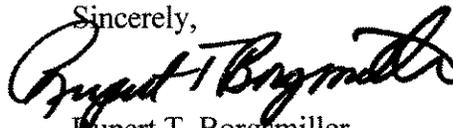

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to \$115.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

From: Steve Sandvoss, General Counsel

Re: Rulemaking, Purging Voters Using a Published Obituary

Date: November 6, 2008

As I informed the Board at the October meeting, the Joint Committee on Administrative Rules (JCAR) previously rejected the above Rulemaking, stating that it exceeded the statutory authority of the State Board of Elections, and that if such a provision were to be enacted, it should be done through legislation. JCAR staff has indicated that if the Rulemaking were amended so as to be limited to election authorities operating under the provisions of Article 4 of the Election Code (counties with a population under 500,000) in which there currently exists authority to rely on "other sources, regarding the removal of registered voters" [10 ILCS 5/4-16], this likely would satisfy JCAR's objection. If the Board does not wish to amend the Rulemaking per JCAR's objection, they may withdraw the same.

Per the direction of the Board, notice of the Board's consideration of this matter and an invitation to appear at this meeting was sent to Mark Sheldon, Clerk of Champaign County and to Peggy Ann Milton, current President of the County Clerk's Association.

I have included a copy of the proposed Rulemaking and JCAR's rejection documentation on the following pages for your reference.

STATEMENT OF OBJECTION
TO PROPOSED RULEMAKING

STATE BOARD OF ELECTIONS

Heading of the Part: Registration of Voters

Code Citation: 26 Ill. Adm. Code 216

Section Numbers: 216.50

Date Originally Published in the Illinois Register: 6/27/08
32 Ill. Reg. 9124

At its meeting on 9/16/08, the Joint Committee on Administrative Rules objected to the State Board of Elections rulemaking titled Registration of Voters (26 Ill. Adm. Code 216; 32 Ill. Reg. 9124) because the Board lacks statutory authority to permit election authorities in counties having a population of 500,000 or more to cancel voters' registration based on an obituary listing, coupled with confirmation by the funeral director. If the Board wants to implement federal recommendations that are broader than the provisions of the Election Code, it should first seek amendment of the Code.

Failure of the agency to respond within 90 days after receipt of the Statement of Objection shall constitute withdrawal of this proposed rulemaking. The agency's response will be placed on the JCAR agenda for further consideration.
