RE: Designation of Committee Type
Committee #21122

Dear Political Committee:

The recently amended campaign disclosure law requires that each political committee designate on a D-1 Statement of Organization, what type of committee it is. The committee types under the previous law; state, local, and state and local, no longer apply. Under the recently amended law there are now four types of political committees; (1) candidate political committee, (2) political action committee, (3) political party committee, and (4) ballot initiative committee. Your committee's D-1 Statement of Organization containing the new designation was required to have been filed with the Board on or before December 31, 2010. To date, your committee has not yet filed the amended D-1 containing such designation.

In order to assist you, and based on the most current information the State Board of Elections has available, I have designated your political committee as a Political Action Committee. If you believe this is not the correct designation, please contact me at 217-782-1558 or tnewman@elections.il.gov no later than March 10, 2011. If I do not hear from you, this designation will become part of your file and it will determine what contribution limits and election cycle to which this committee must adhere.

See the attachment for assistance in making your political committee determination. For information regarding the election cycle and contribution limits that will apply to your committee, refer to our website, www.elections.il.gov.
