Re: Letter of Clarification for Schedule A-1 filed on 10/23/12

Dear Mr. Panzani,

After filing the Schedule A-1 for Wine and Spirits Distributors of Illinois PAC referenced above, I realized I had incorrectly classified the receipt type as a "Transfer In" when it should have been classified as an "Individual Contribution". I realize there is no way to amend this report and apologize for the error.

Sincerely,

*Louise Ito*
