Kim, sorry for the lateness in getting back to you regarding the letter that I have attached.

We have been going back and forth with a lot of sickness since before Christmas. Those persons that you were questioning are campaign workers. We had been told 2 years ago to use the term service rendered for out campaign workers. I checked with others this month and we were told each specialist makes their own calls on this type of entry. It was suggested that we use the term payroll, wages, salary, or campaign work. Which would you prefer?
