From: Bernie Weinert  
Committee Treasurer

Sir:

We entered a D-1 to create our committee on October 12, 2012 with funds available showing as \$0.00. We have now passed the \$3,000 threshold as of February 11, 2013 and understand now that the original D-1 was premature. Please find attached an "Amended D-1" showing our creation date as February 11, 2013 along with a new amount showing funds available. Please advise if you need anything else from me.

Thank you,

 2/16/13

Bernie Weinert
