Re: IFAPAC-IL Account #278

Dear Sir/Madam:

I am writing in regards to two different A-1 returns that were filed. The first return was filed on 2/12/13 and the second return was filed on 2/21/13. I recorded an individual contribution received in the amount of \$2,327.25 and another in the amount of \$1,029.75. However, after I submitted the report, I was informed that we need to record the receipts from the individuals that contributed rather than the National Association of Insurance and Financial Advisors PAC. The National Association is a collecting agency and not the contributor. We are going to make the correction and submit the information electronically. I called your office and was told to delete the receipt and resubmit the report and then I would need to write a letter to have the original form deleted. Could you please delete the reports filed on 2/12/13 and 2/21/13? I have attached copy of the report that I would like you to delete.

Please review the enclosed information. If you have any questions or need additional information, please feel free to contact me.

Very truly yours,

Kerber, Eck & Braeckel LLP
