25035-12

Mr. Jason Hinds:

My name is Lisa Oppenlander. I am the treasurer for political committee identification number 25035, Friends to Elect Ken Briley.

I submitted a license application to conduct a raffle that was approved, by Clinton, on April 18, 2013. The application was for a fundraiser on April 27, 2013 for five raffles, four 50/50 split the pot, and one for four tickets to the Joliet Slammers baseball game.

We didn't have as big a turnout as we thought, and only had two 50/50 split the pot raffles. We did not have the other two 50/50 split the pots, or raffle off the tickets to the game.

I didn't know if this would create a problem, since the application said five raffles, and we only had two. I just wanted to document the there were only two, not five, incase there was ever any question about what happened to the other three raffles that the application stated would be held.

Please feel free to contact me at 815-942-6773, or 815-258-4036, if you have any questions.

Thank you,

Lisa Oppenlander
