Dear Ms. Stewart

This letter is in regards to an amendment filing for the 1st Qtr report 2013 for Tazewell County Republican Central Committee.

The reason for the amended report is a discrepancy of \$602 on the non-itemized entry. Our treasure discovered this while checking back on his figures recently.

In addition I wanted to you to note a discrepancy of the funds available as \$103,704.47. This figure is much larger than the actual amount on hand in our bank. In the process of our recent audit we found this error and are working diligently with our auditor to correct the error.

Sincerely,

Lowell Schroeder, Chairman Tazewell County Central Committee
