In re: Committee #25185

Dear Madam or Sir:

Yesterday this committee filed a Schedule A-1 which included timely, previously unreported contributions, as well as a number of previously reported contributions in order to restate their contribution date in a manner consistent with the accounting method followed by other gubernatorial campaigns and not inconsistent with Illinois law. This amendment was made following consultation with, and at the request of, Board staff.

Please forward this correspondence to the appropriate auditor in your Chicago office, and contact me with any questions.

Sincerely,

Michael G. Adams
