RE: Jones for State Representative
Candidate 23713 - 11

To Whom It May Concern:

As the consultants for Jones for State Representative, we are amending the D-2 form due to an incorrect date on Schedule A. I am enclosing with this letter a copy of the Schedule A and Description of Amended Information. I would like to say that I would have electronically filed the amendment but my computer crashed last month and I lost all electronic versions of the D-2's and only have hard copies. The change was needed due to after my computer crashed I went back into the last two D-2's I filed to make sure everything was properly filed and found an error on a date for a deposit. The receipt reflected on Schedule A provided the date says 6/6/13 but should say 6/10/13 because that is the day it was deposited at the bank. I spoke with my client and he did not receive the check on 6/6/13 but the weekend after. Since the totals do not change I did not attach a copy of the D-2. Please adjust your records as necessary. If there is anything else you may need or if any fines have been assessed that the client or I are not aware of, please let me know. If any fines have been assessed I would greatly appreciate they be waved, due to I can provide a copy of the check with the deposit date confirmed. This will also affect an A-1 and since I know we can't amend an A-1, please also adjust your records for this.

Your attention to this matter will be greatly appreciated.

If you should have any further questions or need any further documentation, please do not hesitate to contact our office at the number below or email me at dpruski@kasperekcpa.com
