SPRINGFIELD, ILLINOIS, January 18, 2007 – The Illinois State Board of Elections will conduct a campaign disclosure seminar via electronic satellite downlink, Board officials announced today.

At 10:00 a.m. on Saturday, January 27, 2007, the State Board of Elections will simultaneously broadcast a campaign disclosure workshop to thirteen sites across the state.

Transmitting from a central location, State campaign disclosure experts will present a detailed program that can conveniently be viewed at any of the thirteen locations. The program will include a review of Illinois Campaign Financing Act requirements, recent changes to the law, provide detailed instructions on how to comply with mandated forms and review electronic filing options.

A question and answer session will follow each part of the presentation. If you are not able to attend the seminar in person, it may also be viewed from any computer as a streaming video presentation. Please go to our home page, www.elections.il.gov and click on "Campaign Disclosure." A link will be provided that takes you to the streaming video broadcast.

With the 2007 Consolidated Election cycle (February 27 and April 17, 2007) as well as the January 31 deadline for filing the Semi-Annual Report of Campaign Contributions and Expenditures (covering the period of July 1 through December 31, 2006) quickly approaching, Board officials urge campaign workers, officers, and candidates to take advantage of this opportunity and attend the nearest location. A listing of locations is attached.

The Seminar, which is free and requires no pre-registration, will last approximately two hours.

For more information contact the Board's website at www.elections.il.gov or contact Sue McArthur at (217) 782-1543.
