Springfield, Illinois, October 28, 2002 - A total of 7,025,999 Illinoisians are registered to vote in the November 5, 2002 General Election, officials of the State Board of Elections announced today.

The figure is significantly up from the last gubernatorial election in November 1998 when 6,754,998 voters were registered but down just slightly from the March 19, 2002 Primary Election total of 7,069,886.

A record 7,129,026 voters were registered for the 2000 Presidential Election.

Board officials estimate that 1.8 million of the State's 8.8 million voting-age-population is unregistered.

A listing of [registrations and precincts by election jurisdiction](#) is attached, as well as a comparison of prior registration and turnout figures.
