Any business entity whose existing State contracts, whose bids and proposals on State contracts or whose bids and proposals on State contracts combined with the business entity's existing State contracts in aggregate annually total more than \$50,000 shall register with SBEL in accordance with Section 9-35 of the Election Code [10 ILCS 5/9-35]. Those business entities that wish to submit a bid or proposal on a State contract must register with SBEL prior to submitting their bid or proposal. SBEL will provide a certificate of registration upon successful completion of the registration process.

The term shall include adopted children of the affiliated person but shall not include stepchildren.

- c) Upon the establishment of a fully functional and statutorily compliant electronic registration system, business entities will be required to submit their registration forms electronically consistent with Section 9-35 of the Election Code. Within 60 days after the establishment of the electronic system, all business entities that have submitted their registrations via e-mail attachment or on paper shall re-submit their registration electronically. SBEL will send notice to all such entities informing them that the electronic system has been established and setting a date on which the 60 day period is to begin. This re-registration requirement shall also affect any business entity that had previously registered with SBEL, but that is no longer required to be registered. At the time of re-submission, SBEL shall provide to the business entity an electronic certificate of registration.

A sole proprietorship may use a social security number as a unique identifier if it does not have a FEIN or an IBT.
- 2) Registration shall be accomplished in one of the two following methods:
