SPRINGFIELD, IL, Feb. 2, 2001 - Board director Ron Michaelson issued a statement today indicating that a problem with the Board's website has inadvertently caused some campaign disclosure filings to reflect amounts that should have been placed in archives. As a result, some reports appear to show duplicate contributions received during the same filing period.

This problem is isolated to a relatively small number of reports filed electronically after January 1, 2001.

If you have further questions on this issue, please contact the State Board of Elections at 217/782-4141.
