Re: Non-Profit Organization Registration

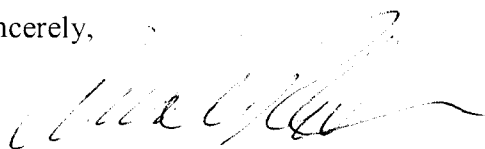

To Whom It May Concern:

The form attached is submitted in response to the second notice dated January 21, 2009 on behalf of Citizens for Fair Assessment & Taxes NFP and its Campaign Committee, the Vote Yes On the ConCon Coalition. A copy of its most recent report is attached. This should be amended to show the proper mailing address rather than my work address as Secretary/Treasurer and registered agent.

Please excuse any delays in our response, we did not receive the first notice, and mistakenly believed that our filings with the Secretary of State, as well as interim and semi-annual reports online for the *Vote Yes* referendum campaign were sufficient.

To clarify, "Vote Yes on the Con-Con Coalition" was a committee or initiative of Citizens for Fair Assessment & Taxes NFP, an organization that was incorporated October 4, 2009. Prior to the referendum campaign, the organization functioned as a voluntary, informal group that was not engaged in campaign or lobbying activities.

Sincerely,

Andrea A. Raila
