Dear Rupert:

Thank you for our phone conversation today. It was very helpful. Pursuant to our conversation, The Conservation Foundation is submitting our final report (D-2) and Schedule B for the political activity related to past forest preserve district open space referenda. We have not participated in this activity for several years now and we do not anticipate doing it again in the near future.

Therefore, according to the statute, we show on the Schedule B that we are reimbursing ourselves the remaining \$161,255.40 remaining in the "fund." The Conservation Foundation was the original funder for this activity and we are reimbursing ourselves as a 501(c)3 organization.

Thank you again for your assistance and please contact me if you need any further information from me.

Happy New Year!

Sincerely,

Brook McDonald  
President/CEO
