## PREFACE

This *Candidate's Guide* has been prepared to provide information for candidates seeking office in 2012. It includes a listing of the offices to be nominated or elected, filing dates, general requirements for filing, and specific requirements for individual offices. In addition, information is provided regarding nomination procedures and the objection process. Also included is a section that provides answers to some of the more frequently asked questions about nominating petitions and procedures. A signature requirements section is included at the end of the guide.

All citations contained herein refer to the Illinois Election Code (10 ILCS 5/1-1 et seq., as amended) or as otherwise indicated. New legislation and court decisions made after July 2012 may not be included in this guide.

**Legal information contained in this guide is not binding and should not be construed as sufficient argument in response to an objection to any candidate's nominating papers.** The State Board of Elections recommends that all prospective candidates consult with competent legal counsel when preparing their nominating papers. Decennial redistricting will impact elections in the year 2012. Please be aware that any delay with the redistricting process could result in court action to change certain filing dates.

Statutory deadlines for filing objections and for withdrawing from all but one incompatible office will depend on the filing period. Specific deadline dates can be found in the *SBE Election and Campaign Finance Calendar for 2012*. The calendar, this guide, and filing date announcements can be found on the State Board of Elections' web site:

[www.elections.il.gov](http://www.elections.il.gov)

Additional information may be obtained by contacting your election authority (county clerk or board of elections commissioners) or the State Board of Elections in Springfield (217)/782-4141 or Chicago (312/814-6440).

2. Candidates must file for office in one of the following manners:
  - a. candidate of an established political party;
  - b. candidate of a new political party;

A new political party petition must have attached thereto a certificate (SBE Form P-8C) stating the names and addresses of the party officers authorized to fill vacancies in nomination. Failure to file the certificate will not invalidate the petitions but will preclude the new party from being able to fill any vacancy that may occur. [See Peoples Independent Party. v. Petroff, 191 Ill. App 3d 706, 138 Ill. Dec. 915, 548 N.E. 2d 145 (5<sup>th</sup> Dist. 1989)]

4. Election laws prescribe the forms to be submitted when seeking nomination to office. The State Board of Elections has prepared **suggested** forms for petitions, statements of candidacy, etc. The State Board of Elections form number to be used is included under each office listed in this guide. Forms are available and may be downloaded from the State Board of Elections website. When viewing the specific office pages contained in this Guide online, click on the SBE form number and

you'll get that suggested form. Forms may also be obtained from many of the election authorities, and are available for purchase from election supply vendors.

5. Petitions may be filed by mail or in person, by either the candidate or a representative of the candidate.
  - a. Information on where to file is included under each office listed in this guide.
  - b. Filings must be made within the appropriate filing period discussed on page ii.
  - c. Filings must be received no earlier than 8:00 a.m. or the normal opening hour of such office, whatever the case may be, on the first day of the appropriate filing period and no later than 5:00 p.m. or the close of business, whichever is later, on the last day of that filing period.  
*Welsh vs. Education Officer's Electoral Board*, 322 Ill.App.3d 568, 750 N.E. 2d 222, 255 Ill.Dec. 641 (1<sup>st</sup> Dist. 2001)

**NOTE:** The State Board of Elections will **NOT ACCEPT** any petition for filing after 5:00 p.m. on the last day of the filing period. This includes any individual waiting in line as of the 5:00 p.m. deadline who has not yet filed his/her petition.
  - d. Petitions sent by mail (United States Post Office only) and received **AFTER** midnight of the first day for filing and in the first mail delivery or pickup of that day shall be deemed filed as of 8:00 a.m. of the day or as of the normal opening hour of such day, as the case may be. Candidates who file by mail with the State Board of Elections and wish to qualify for the lottery, must **mail** their petitions to the State Board of Elections, P. O. Box 4187, Springfield, IL 62708. (Use the P.O. Box for mailing, not the street address.) Nominating petitions received through other delivery systems are not considered "mail" and will not be included in the lottery. It is important to note that petitions received **BEFORE** the first day of filing cannot be accepted.  
[10 ILCS 5/7-12 (6), 8-9, 10-6.2]
6. Ballot Position Lottery (see page 47)
  - a. The lottery is held within nine days following the last day to file petitions.

  - c. Candidates who file petitions after 8:00 a.m. or the opening hour (as the case may be) on the first day are placed on the ballot in the order filed.  
[10 ILCS 5/7-12 (6), 8-9, 10-6.2]

7. Multiple Filings

If multiple sets of nomination papers are filed for a candidate for the same office, the State Board of Elections, appropriate election authority or local election official where the petitions are filed shall, within two (2) business days, notify the candidate of his/her multiple petition filings and that the candidate has three (3) business days after receipt of the notice to notify the State Board of Elections, appropriate election authority or local election official that he or she may cancel prior sets of petitions. If the candidate sends notice, the last set of petitions filed shall be the only petitions to be considered valid. If the candidate fails to send notice, then only the first set of petitions filed shall be valid and all subsequent petitions shall be void. [10 ILCS 5/7-12 (11), 8-9, 10-6.2]

**NOTE:** If petitions for nomination have been filed for the same person with respect to more than one political party, his/her name shall not be certified for the primary ballot of any party. If petitions for nomination have been filed for the same person for two or more offices which are incompatible, a person must withdraw as a candidate for all but one of such offices within the 5 business days following the last day for petition filing or his/her name shall not be certified for the primary ballot for any office. Judicial candidates at the circuit court level are limited to filing a petition for one circuit court vacancy and/or a petition for one subcircuit vacancy in any filing period. [10 ILCS 5/7-12 (9)]

- c. The candidate's given name or names, initial or initials, nickname by which the candidate is commonly known, or a combination thereof, may be used in addition to the candidate's surname. No other designation such as a political slogan, title, degree or nickname suggesting or implying possession of a

title, degree or professional status, or similar information may be used in connection with the candidate's surname.

[10 ILCS 5/7-10.2, 7-17(b), 8-8.1, 10-5.1, 16-3(e)]

**NOTE:** If a candidate has changed his or her name, whether by a statutory or common law procedure in Illinois or any other jurisdiction, within 3 years before the last day for filing the petition or certificate for that office, whichever is applicable, then (i) the candidate's name on the petition or certificate must be followed by "formerly known as (list all prior names during the 3-year period) until name changed on (list date of each such name change)" and (ii) the petition or certificate must be accompanied by the candidate's affidavit stating the candidate's previous names during the period specified in (i) and the date or dates each of those names was changed; failure to meet these requirements shall be grounds for denying certification of the candidate's name for the ballot or removing the candidate's name from the ballot, as appropriate, but these requirements do not apply to name changes resulting from adoption to assume an adoptive parent's or parents' surname, marriage to assume a spouse's surname, or dissolution of marriage or declaration of invalidity of marriage to assume a former surname.

A candidate may not use a political slogan as part of his or her name on the ballot, notwithstanding that the political slogan may be part of the candidate's name.

[10 ILCS 5/7-17 (b), 16-3(e)]

**NOTE:** The State Board of Elections, a local election official or an election authority shall not certify to any election authority any candidate name designation that is inconsistent with this statutory reference.

[10 ILCS 5/7-17(c), 16-3(f)]

- e. The form of name on the petition sheets must match the form of name on the Statement of Candidacy. **THE CANDIDATE'S NAME SHOULD APPEAR IN EXACTLY THE SAME FORM ON THE PETITION SHEETS, STATEMENT OF CANDIDACY AND LOYALTY OATH.** The State Board of Elections will certify each candidate's name as it appears on the first numbered page of the petition (other Election Authorities may

follow a different rule with regard to petitions filed with them). Failure to match the name on the petition to the name on the Statement of Candidacy may result in the candidate not being certified for ballot.

- f. The name of more than one candidate of the same party for a group office or for different offices of the same political subdivision may appear on the same petition if such petition is filed with the same filing office. However, each candidate must submit his or her individual Statement of Candidacy, receipt for filing the Statement of Economic Interests and optional Loyalty Oath. [10 ILCS 5/7-10]

[10 ILCS 5/7-10, 8-8, 10-4]
- b. Petition sheets must **not** be circulated more than 90 days preceding the last day for the filing of the petitions. The circulator's statement on a candidate's petition sheet must specify either the dates on which the sheets were circulated, the first and last dates on which the sheet was circulated or that none of the signatures on the sheet were signed more than 90 days preceding the last day for filing the petitions. See page ii for dates when candidates may start circulating petitions. [10 ILCS 5/7-10, 8-8, 10-4]
- c. A petition circulator may not circulate for more than one political party. [10 ILCS 5/10-4] Schober v. Young, 322 Ill.App.3d 996, 751 N.E. 2d 610, 256 Ill.Dec. 220 (4<sup>th</sup> Dist. 2001)

**NOTE:** If a candidate has changed his or her name, whether by a statutory or common law procedure in Illinois or any other jurisdiction, within 3 years before the last day for filing the petition or certificate for that office, whichever is applicable, then (i) the candidate's name on the petition or certificate must be followed by "formerly known as (list all prior names during the 3-year period) until name changed on (list date of each such name change)" and (ii) the petition or certificate must be accompanied by the candidate's affidavit stating the candidate's previous names during the period specified in (i) and the date or dates each of those names was changed; failure to meet these requirements shall be grounds for denying certification of the candidate's name for the ballot or removing the candidate's name from the ballot, as appropriate, but these requirements do not apply to name changes resulting from adoption to assume an adoptive parent's or parents' surname, marriage to assume a spouse's surname, or dissolution of marriage or declaration of invalidity of marriage to assume a former surname.

A person may file a statement of candidacy for a partisan office as a qualified primary voter of an established political party regardless of any prior filing of candidacy for a partisan office or voting the ballot of an established political party at any prior election. [10 ILCS 5/7-43) (f)]

#### D. STATEMENT OF ECONOMIC INTERESTS - RECEIPT

Candidates and committees are urged to abide by the provisions for campaigning outlined in the Fair Campaign Practices Act. [10 ILCS 5/1A-19 (c), 7A – 1, 2A --9 (b)]

TERM OF OFFICE: Supreme Court and Appellate Court Judges, 10 years  
Circuit Court Judges, 6 years  
[Ill Constitution, Article VI, Section 10]

ELECTION: Judicial vacancies and newly created judicial offices are initially elected on a partisan basis. The State Board of Elections is provided with a certification from the Chief Justice of the Illinois Supreme Court delineating which vacancies will be filled by election in the year 2012. Interested citizens may contact the State Board of Elections to learn which judicial offices will be filled by election. The judicial office being sought is the vacancy of the preceding ELECTED judge, not the judge appointed to fill the vacancy until the next election. The nominating petitions and Statement of Candidacy must state the exact vacancy or the exact additional judgeship that the candidate is seeking.

RETENTION: Once elected to office, a judge may seek to retain that office at the expiration of the term by seeking retention on a special ballot separate from the regular ballot. No party affiliation is indicated on a retention ballot. Nominating petitions are not required to seek retention for another term.

A Declaration of Judicial Candidacy to succeed oneself must be filed in the office of the Secretary of State on or before May 6, 2012 (not less than six months before the General Election preceding the expiration of his/her term of office). [Illinois Constitution, Article VI, Section 12(d)]

JUDICIAL SUB-  
CIRCUITS:

It is the duty of the Administrative Office of the Illinois Courts to assign judgeships to the subcircuits as vacancies occur as well as additional judgeships created by legislation. Interested citizens may contact the State Board of Elections.

**NOTE:** When a vacancy occurs in the office of Supreme, Appellate, or Circuit Court Judge within the three week period preceding the 106th day before a General Primary Election (November 14 thru December 5th, 2011), a special filing period shall be held not more than 92 nor less than 85 days prior to the date of the General Primary Election (December 19 – December 27, 2011). Consult the Administrative Office of the Illinois Courts and the State Board of Elections concerning newly created vacancies. On or before May 7, 2012 (not less than six months before the General Election preceding the expiration of his/her term of office), any elected judge who wishes to seek retention shall file in the Office of the Secretary of State, a Declaration of Judicial Candidacy to succeed himself/herself. [10 ILCS 5/7-12(1)]

**NOTE:** PA 97-81 amended 10 ILCS 7-12(9), effective July 5, 2011, such that judicial candidates at the circuit court level are limited to filing a petition for one circuit court vacancy and/or a petition for one subcircuit vacancy in any filing period. For any individual circuit court judge candidate, the State Board of Elections will accept only one petition for a circuit court vacancy and/or only one petition for a subcircuit vacancy in any filing period. A new circuit court or subcircuit judgeship created by statute or by conversion of a resident judge position to a subcircuit position is a vacancy. A resident judge vacancy is a circuit court vacancy.

For “in person” petition filings, the SBE staff will accept from any candidate (or filing agent) only one petition for a full circuit judicial vacancy and only one petition for a subcircuit judicial vacancy in any filing period. The staff will refuse to accept any additional judicial petition filings at the circuit court level for that candidate.

For petition filings by mail or by commercial carriers, the SBE staff will accept and process only one petition for a full circuit judicial vacancy and only one petition for a subcircuit judicial vacancy in any filing period for any candidate.

If multiple petitions are sent in a single envelope (or package):  
If the candidate designates a particular petition as the chosen petition, the staff will accept that petition and return the rest of the petitions to the candidate.

In the absence of a designation by the candidate and if the petitions are all oriented such that the print side of each petition faces the same way, the staff will accept the top petition in the pile and return the rest of the petitions to the candidate.

In the absence of a designation by the candidate and if the petitions are not all oriented with the print facing the same way, the staff will accept the petition that was on top of the pile when the petitions were removed from the envelope with the postage, postmarked and/or mailing label side of the envelope or package facing up, and return the rest of the petitions to the candidate.

If petitions are mailed in multiple envelopes, the first envelope processed will be the one accepted and all other petitions will be returned to the candidate.

A withdrawal of an accepted petition will be accepted, but no new petition for a different judicial vacancy will be accepted after a withdrawal. Withdrawal and filing of a new petition for the same vacancy will be permitted

The forms must be filed with a certifying officer or board (example: winning write-in candidate for State Representative would file with the State Board of Elections). [10 ILCS 5/7-60]

#### E. FILING FOR INCOMPATIBLE OFFICES

If petitions for nominations have been filed for the same person for two or more offices which are incompatible, e.g., State Senator and State Representative, so that the same person could not serve in more than one of such offices if elected, that person must withdraw as a candidate from all but one of such offices within five business days following the last day for petition filing. If petitions are filed for the same person with respect to more than one political party, the candidate shall not be certified for either primary ballot. [10 ILCS 5/7-12, 8-9 and 10-7] Judicial candidates at the circuit court level are limited to filing a petition for one circuit court vacancy and/or a petition for one subcircuit vacancy in any filing period. [10 ILCS 5/7-12(9)]

For questions concerning compatibility of offices, contact the Opinions Division of the Attorney General's office at 217/782-1974

#### F. ADDITIONAL INFORMATION

1. For the purpose of determining eligibility to sign a nominating petition or a petition proposing a public question, the terms "voter," "registered voter," "qualified voter," "legal voter," "elector," "qualified elector," "primary elector," and "qualified primary elector" shall mean a person who is registered to vote at the address shown opposite his/her signature on the petition or was registered to vote at such address when he/she signed the petition. [10 ILCS 5/3-1.2]

2. Whenever a statute requires that a nominating petition or a petition proposing a public question shall be signed by a specific percentage of the registered voters of the state, a political subdivision or district, the total number of voters to which the percentage is applied shall be the number of voters who are registered in the state, political subdivision or district, as the case may be, on the date registration closed before the regular election next preceding the last day on which such petition may be filed. [10 ILCS 5/3-1.3]
3. When computing signature requirements, the number of primary electors is determined as follows: a) in a district, the total vote cast for the candidate for such political party who received the highest number of votes, statewide, at the last General Election in the state at which electors for President of the United States were elected, and b) in a political subdivision, the total vote cast for the candidate for such political party who received the highest number of votes in such political subdivision at the last regular election at which an officer was regularly scheduled to be elected from that subdivision. [10 ILCS 5/7-10]
4. When a candidate withdraws his or her nominating petition, the original petition is not returned to the individual, but remains in the office of either the State Board of Elections, the election authority or the local election official. [10 ILCS 5/7-10, 10-4]
5. Blank nomination petitions may be reproduced prior to circulation. The signatures of the signers (voters), circulator and the notary public must be original.

## OBJECTIONS TO NOMINATING PAPERS

FILING OBJECTION PETITION:	Nomination papers shall be deemed to be valid unless objections are filed in writing, <b>an original and one copy</b> , within five business days after the last day for the filing of nomination papers. The last day to file an objection will depend on the filing period. (See SBE Election and Campaign Finance Calendar for 2012.) The objection shall be filed with the SBE, the election authority or local election official with whom the original nomination petition was filed. [10 ILCS 5/7-13, 10-8]
PROCESSING OBJECTION:	Not later than 12 noon on the second business day after receipt of an objector's petition, the State Board of Elections, the election authority or local election official shall transmit by registered mail or receipted personal delivery the Certificate of Nomination or nomination papers and the original objector's petition to the chairman of the proper electoral board designated in Section 10-9, or his/her authorized agent, and shall transmit a copy of the objector's petition, by registered mail or receipted personal delivery, to the candidate whose Certificate of Nomination or nomination papers are objected to, addressed to the place of residence designated in said Certificate of Nomination or nominating papers.
RESPONSIBILITY OF CHAIRMAN OF ELECTORAL BOARD:	Within 24 hours after receipt of the objector's petition, the chairman of the electoral board, other than the State Board of Elections, shall send a call by registered or certified mail to each of the members of the electoral board, the objector, and the candidate, and shall also cause the Sheriff of the county or counties in which such officers and persons reside to serve a copy of such call upon each of the officers and persons. In those cases where the State Board of Elections is the designated electoral board, the Chairman of the State Board of Elections shall send the call to the objector and candidate whose Certificate of Nomination or nomination papers are objected to stating the day, hour and place at which the State Board of Elections shall meet to hear the objection.
ELECTORAL BOARD MEETING:	The meeting of the electoral board shall not be less than three nor more than five days after receipt of the objector's petition by the chairman of electoral board.
JUDICIAL REVIEW FILED:	Within 5 days after the decision of the electoral board, the candidate or objector aggrieved by the decision of the board, may file a petition for judicial review with the Clerk of the Circuit Court. Court hearings are to be held within 30 days after the filing of the petition and the decision delivered promptly thereafter.

**NO JUDICIAL  
REVIEW:**

If no petition for judicial review has been filed within 5 days after the decision of the electoral board, the electoral board shall transmit a copy of its ruling, together with the original Certificate of Nomination or nomination papers or petitions and the original objector's petitions to the officers or board with whom they were on file and such officers or board shall abide and comply with the ruling so made to all intents and purposes.

STATE BOARD OF ELECTIONS – RULES AND REGULATIONS  
(As codified under the Illinois Administrative Procedures Act)

**Section 201.40 Simultaneous Filing for the Same Office – LOTTERY**

Simultaneous filings of candidate nominating petitions for the same office occur only at 8:00 a.m., or the opening hour, on the first day of filing. The lottery system to be used by the State Board of Elections, the election authority, or the local election official to break ties resulting from such simultaneous filings must be approved by the State Board of Elections. The following system has been so approved:

- a) The names of all candidates who filed simultaneously for the same office shall be listed alphabetically and shall be numbered consecutively commencing with the number one which shall be assigned to the candidate whose name is listed first on the alphabetical list; provided, however, that candidates filing a group petition for the same office shall be treated as one in the alphabetical list. For example, if five candidates by the name of Downs, Brown, Edwards, Cook and Adams have filed simultaneously, they will be arranged alphabetically and assigned numbers as follows: Adams, one; Brown, two; Cook, three; Downs, four; and Edwards, five. However, if Cook and Adams filed a group petition and Cook's name appeared first on the petition, then the candidates would be arranged as follows: Brown, one; Cook and Adams, two; Downs, three; and Edwards, four.
- b) All ties will be broken by a single drawing. A number shall be placed in a container representing each number assigned to each candidate and group of candidates pursuant to the alphabetical listing procedures set forth in paragraph a) above. For example, if the largest number to be used for any office is five, then numbers one, two, three, four and five will be placed in a container. In this manner, sufficient numbers will be placed in the container to conduct a drawing for all offices at the same time.
- c) After the numbers are placed in the container, they shall be drawn one at a time from the container after they have been thoroughly shaken and mixed. The candidate or group of candidates in the position on an alphabetical list corresponding to the first number drawn shall be certified ahead of the other candidates listed on the alphabetical list. The candidate or group of candidates in the position on the alphabetical list corresponding to the second number drawn will be certified second and so forth until all numbers have been drawn. For example, where no group petitions were filed, if candidates Adams, Brown, Cook, Downs, and Edwards filed simultaneously at 8:00 a.m. on the first day of filing, and the number three is first drawn, then candidate Cook, who is listed in the third position on the alphabetical list, shall be certified first on the ballot. If the number one is drawn second, then candidate Adams, who is listed in the first position on the alphabetical list, shall be certified second on the ballot...and so on. For offices where group petitions were filed, using the example set forth above where candidates Cook and Adams file a group petition for the same office, and Cook's name appears first on the petition, and number three is drawn first, then candidate Downs would be listed first. If the number two is drawn second, then candidates Cook and Adams would be certified

second and third, respectively. If the number four is drawn third, then candidate Edwards would be certified fourth...and so on. In districts with fewer names on the alphabetical list than are in the drawing, then all numbers in excess of the number of candidates or group of candidates that appear on the particular alphabetical list shall be disregarded. Thus, if five numbers are placed in the container, and only four candidates or groups of candidates are on a particular list, then the number five shall be disregarded. For example, if candidates Adams and Cook, filing separate petitions, are the only candidates listed on the alphabetical list and five numbers are chosen in the following order: 3, 5, 4, 2 and 1, then candidate Cook's name will appear in the certification prior to the name of candidate Adams.

- d) If at 5:00 p.m. on the last day of filing, two or more nominating petitions for the same office are presented; they shall be deemed filed in the order of actual receipt. Ballot position shall be assigned consecutively to these petitions with the first petition received placed upon the ballot before the second set of petitions received and so on. No nominating petitions will be accepted after 5:00 p.m.
- e) All candidates shall be certified in the order in which petitions have been filed with the State Board of Elections, election authority or the local election official. In cases where candidates have filed simultaneously, they shall be certified (in the order determined by the lottery procedure outlined above) prior to candidates who filed for the same office who filed their petitions at a later time, except in those situations where the law requires rotation on a district-by-district basis.

# FREQUENTLY ASKED QUESTIONS

## SIGNING PETITIONS

- 1. Can a registered voter sign petitions for candidates of more than one political party for the same Primary Election?**

No. A "qualified primary elector" of a party may not sign petitions for or be a candidate in the primary of more than one party.

[10 ILCS 5/7-10, 10-4]

- 2. May a voter who voted Republican in the last Primary Election now sign a petition for a Democratic candidate?**

Yes, however, no one may sign petitions for candidates of more than one political party for the **same** Primary Election.

Kusper v. Pontikes, 414 U.S. 51, 94 S. Ct. 303 (1973); Sperling v. County Officers Electoral Board, 57 Ill.2d 81, 309 N.E. 2d 589 (1974)

- 3. Can a voter sign an established party petition and a new party and/or independent petition?**

Yes, a voter may sign an established party candidate's petition prior to a General Primary Election and subsequent to that Election, sign a petition of an independent OR new political party candidate prior to a General Election. The voter may not however, sign a petition of more than one independent or new political party candidate's petition for the same office.

[10 ILCS 5/7-10, 10-3]

- 4. How should the voter sign his name when he signs the petition?**

The voter should sign the petition with the same name as he or she is registered to vote. Example – the signature for James Smith should not appear on the petition as Jim Smith however, signing with a nickname will not invalidate the signature, provided the voter can be identified.

- 5. Are pencil signatures allowed?**

Yes, but it is advisable to use a pen with dark ink.

**6. Are abbreviations allowed on petitions?**

Standard abbreviations may be used in writing the voter's address, including the street number.

**7. Can ditto marks be used on the petitions?**

Ditto marks should be avoided. The use of ditto marks could be objected to and the outcome of an objection cannot be predicted. Also, writing over ditto marks should be avoided because it may appear that the petition has been altered. A circulator can, however, fill in any missing information except, of course, a voter's signature.

**CIRCULATORS**

**8. May a candidate circulate his or her own petition sheets?**

Yes.

**9. When can the circulator start collecting signatures?**

No more than 90 days prior to the last day for filing petitions. (See page ii)  
[10 ILCS 5/7-10,8-8,10-4]

**10. If a candidate finds something wrong with his or her petitions after they are filed, can a new set of petitions be circulated and filed before the end of the filing period?**

Yes, but the candidate must cancel the original set of petitions in writing. If the candidate fails to cancel the original set of petitions, then only the original petitions shall be considered filed and all subsequent petitions shall be void.

**11. May a circulator circulate petitions for an independent candidate and an established party candidate?**

No.  
[10 ILCS 5/10-4]

**12. May a circulator sign as a voter on the petition he or she is circulating?**

Yes, as long as he/she is a registered voter in the district.

**13. May a circulator circulate petitions for an established party candidate and a new party candidate?**

No.  
[10 ILCS 5/10-4]

**14. Is the circulator required to be a registered voter?**

No, but they must be a United States Citizen and be at least 18 years of age.  
[10 ILCS 5/7-10]

**15. Can a petition sheet be circulated by more than one individual?**

No. Only the person who signs the page as circulator can circulate that sheet. By signing as circulator, the circulator is attesting that all signers signed in his/her presence.  
[10 ILCS 5/7-10]

**FILING PETITIONS**

**16. May a candidate file in person and by mail?**

Yes. The candidate will have to notify the filing office which filing should be the official filing. If the candidate fails to notify the filing officer, then only the first set of petitions filed shall be valid.

**17. May a petition contain the names of two or more candidates of the same established party?**

Yes. An established party may slate a candidate for each office to be filled within a district. For example, in a judicial district several judges are to be elected. Each candidate of the slate must individually file a Statement of Candidacy and a receipt for filing a Statement of Economic Interests. The Statement of Candidacy and the receipt for each candidate must be attached to the original slate petition.

**18. When must a petition be filed with a complete slate of candidates?**

New political parties must file a complete slate of candidates for offices in the political subdivision or district from which they wish to run for office (10 ILCS 5/10-2). An established party or independent candidates may file a complete slate or they may file either a single candidate petition or a partial slate petition for the political subdivision or district.  
[10 ILCS 5/7-2, 10-2]

**19. If you are first in line or your petition is in the first mail pickup or delivery of the day, will you be first on the ballot?**

Not necessarily. If there are two or more candidates in line prior to the opening of the office filing from the same party and for the same office, they would be considered as filing simultaneously along with any petition in the first mail pickup or delivery and will be involved in a lottery to determine ballot position.  
[10 ILCS 5/7-12(6), 10-6.2]

STATE BOARD OF ELECTIONS – RULES AND REGULATIONS  
(As codified under the Illinois Administrative Procedures Act)  
Section 201.40

**20. Must the notary of the petition be an Illinois notary, and may the notary also be a signatory of the petition?**

Under the provisions of the Uniform Recognition of Acknowledgements Act:  
[765 ILCS 30/2]

“Notarial acts may be performed outside this State for use in this State with the same effect as if performed by a notary public of this State by the following persons authorized pursuant to the laws and regulations of other governments in addition to any other person authorized by the laws and regulations of this State:

(1) “A notary public authorized to perform notarial acts in the place in which the act is performed. ...”

For additional information, contact the Index Department of the Secretary of State’s Office, 111 E. Monroe, Springfield, IL 62756-0001, Phone 217/782-7017.

It has not been definitively determined whether a notary may also be a signatory to a petition. Some electoral boards and Circuit Courts have upheld petitions where the notary was also a signer of the petition, but the issue has not yet been decided by the Supreme Court or any Appellate Court in Illinois. A cautious candidate might wish to avoid using a petition signer as the notary so as to avoid the risk of having to defend against an objection on this issue.

**21. Is a lottery conducted for party placement on the ballot?**

For the General Election, a lottery is conducted by each election authority for all established parties to determine the proper order of party placement on the ballot. This lottery is held within 30 days following the proclamation of the results of the Primary Election. New parties are involved in a lottery when there is a simultaneous filing with the State Board of Elections or the county clerk. The State Board of Elections conducts the lottery for new parties that file in the Springfield office and the election authorities must use such order. No party lottery is done for the Primary Election since each party has its own ballot, separate from any other established party.

**22. In filing a petition to fill a vacancy in the office of Circuit Judge, must the petition contain the vacancy for which the candidate is filing?**

Yes. For example, “To fill the vacancy of the Honorable John Jones.” The vacancy is for the preceding elected judge, not the interim appointee.

**23. Are judges running for retention required to file petitions?**

No. Judges running for retention are required to file a Declaration of Candidacy with the Secretary of State on or before May 6, 2012 preceding the expiration of their term of office.

[Illinois Constitution, Article VI, Section 12(d)]

**24. Does a candidate have to file his or her own nomination papers?**

No. The candidate or a representative of the candidate can file the candidate's petitions.

**25. May a candidate file his or her own petition and petitions for other candidates at the same time?**

Yes.

**26. May a candidate file for more than one office?**

Yes, however, the candidate must withdraw from all but one office within five business days following the last day of petition filing, if the offices are incompatible. The withdrawal notice must be in writing and notarized. If he/she does not withdraw, his/her name will not be certified for any office. Judicial candidates at the circuit court level are limited to filing a single petition for one circuit court vacancy and/or a single petition for one subcircuit vacancy in any filing period.

[10 ILCS 5/7-12(9)]

**27. When may petitions be mailed?**

There are no statutory requirements regarding a time element for mailing petitions. However, all petitions that are received in the office prior to the opening of the office on the first day of the filing period will be returned to the sender.

**28. May a petition that has been filed be changed?**

No. A petition once filed may not be added to or altered. However, the receipt(s) for filing Statements of Economic Interests may be filed at any time during the filing period.

[10 ILCS 5/7-10, 7-12]

**29. Who can remove a signature from a nominating petition?**

Only the circulator or the candidate on whose behalf the petition was circulated may strike a signature. However, an individual can submit a written request to the proper filing office to have his/her own name removed **before** the petition is filed.

[10 ILCS 5/7-10, 8-8, 10-3]

**30. When a candidate withdraws his nominating petition, are the petitions returned to the candidate?**

No. The original documents are not returned, but remain in the office of the authority in which they were filed. They must remain in the office for a period of at least six months.

**31. When are petitions open to the public?**

Upon their filing with the proper office. As a practical matter, there will be some delay in availability while the Election Authority processes each petition
