FOREWORD

This supplement has been designed to be used with the *Local Election Officials Handbook for 2005*. The provisions in this supplement apply to both school districts and community college districts.

Both the handbook and this supplement have been prepared to assist school and community college election officials with the administration of the election process. However, this supplement is not intended to be used as a substitute for the relevant statutes, the Illinois Constitution, or applicable case law. Questions regarding the interpretation of information contained in the handbook or this supplement, or any particular section of the Illinois Election Code or any other statute, should be referred to competent legal counsel.

CANDIDATE BALLOT PLACEMENT

Community unit school districts formed prior to January 1, 1975 under mandatory board representation may initiate a referendum by resolution order or by petition to elect board of education members at large from the district without restrictions. (105 ILCS 5/11A-8)

Ballot Order

For all school districts electing candidates to a board of education in a manner other than at-large, candidates who file nominating petitions for a full term shall be grouped together by area of residence as follows:

- (1) by congressional townships, or
- (2) according to incorporated or unincorporated areas.

For all school districts electing candidates to a board of education in a manner other than at-large, candidates who file nominating petitions for an unexpired term shall be grouped together by area of residence as follows:

- (1) by congressional townships, or
- (2) according to incorporated or unincorporated areas.

Note: In school districts that elect their board members according to area of residence, the winner(s) of the unexpired term(s) shall be determined first and independently of those running for full terms.

Candidate groupings by area of residence for unexpired terms shall precede the candidate groupings by area of residence for full terms. The ballot order of each candidate grouping shall be determined by the order of petition filing or lottery. (105 ILCS 5/9-11.2)

The area of residence of the candidate determined to be first by order of petition filing or by lottery shall be listed first among the candidate groupings on the ballot. All other candidates from the same area of residence will follow according to order of petition filing or the lottery. The area of residence of the candidate determined to be second by the order of petition filing or the lottery shall be listed second among the candidate groupings on the ballot. All other candidates from the same area of residence will follow according to the order of petition filing or the lottery. The ballot order of additional candidate groupings by area of residence shall be established in like manner. (105 ILCS 5/9-11.2)

"Area of Residence" means congressional township, incorporated, and unincorporated territories. (105 ILCS 5/9-11.2)

Simultaneous Petition Filing - Lottery Procedures

Suggested Lottery Procedures for School Board Candidates Grouped Together by Congressional Township:

Simultaneous filings of candidate nominating petitions for the same office occur only at the beginning of the opening hour on the first day of filing. The following example is a school district where membership on the Board of Education is restricted to a maximum of three members from any one congressional township.

In this example, we have 10 candidates who have filed simultaneously, all for a full 4-year term;

5 from Township 42 - N, Range 8E
3 from Township 43 - N, Range 8E
2 from Township 42 - N, Range 6E

Candidate groupings by area of residence **for unexpired terms** shall precede the candidate groupings by area of residence for **full terms** on the ballot. Separate lottery procedures for an unexpired term is conducted in the same manner as for full term.

The candidate filing first or the first candidate determined by lottery will determine the first candidate grouping on the ballot. All other candidates from the same area of residence will follow according to order of petition filing or the lottery.

The candidate filing second or the second candidate determined by the lottery will determine the second candidate grouping on the ballot. All other candidates from the same area of residence will follow according to the order of petition filing or the lottery.

The ballot order of additional candidate groupings by area of residence shall be established in like manner.

Lottery procedures are as follows:

- a. The names of all 10 candidates who filed simultaneously shall be listed alphabetically and shall be numbered consecutively commencing with the number one, which shall be assigned to the candidate whose name is listed first on the alphabetical list.
- b. A number shall be placed in a container representing each number assigned to each candidate, pursuant to the alphabetical listing. In this example, numbers 1 through 10 shall be placed in the container.
- c. The numbers shall be drawn one at a time from the container. The candidate in the position on the alphabetical list corresponding to the first number drawn shall be certified first, and the candidate drawn second shall be certified second, and so on.
