

STATE OF ILLINOIS

COUNTY OFFICERS

ISSUED BY THE ILLINOIS STATE BOARD OF ELECTIONS

FOREWORD

The Illinois County Officers Handbook reflects the names of local county officers as well as other pertinent information. In addition, eighty-five counties have adopted the township form of government while seventeen counties have boards of county commissioners. Included at the end of the handbook is a listing of the seven city boards of election commissioners and the two county board of election commissioners.

We hope that you will find this publication both useful and informative. Please visit our website (www.elections.il.gov) for updated versions of the handbook.
